Volume XIII

F O R E W O R D

Loyalty to school — fidelity to Peoria High School, devotion to her ideals! Our hearts respond to the spirit of friendliness, fairness, cooperation, leadership, helpfulness, in work and in play, that are found within our walls. In striving to meet the goals that are set for us here, we seek to keep standards high, characters true, lives ever enriched. We will ever sing the praises of Peoria High School. May our allegiance never fade, but remain undimmed throughout the years.

Peoria High School Loyalty Song

Words by
MARTHA E. HAZZARD, '24

Music by
CECELIA JOHNSON, '25

The musical score consists of four staves of music. The first staff is for the piano, indicated by a bracket labeled "PIANO". The subsequent three staves are for the vocal part, with lyrics printed below them. The music is in common time, with a key signature of one flat. The piano part features a steady bass line and harmonic chords. The vocal parts consist of soprano and alto voices, with the alto part providing harmonic support.

DEDICATION

Mr. Sanford Murphy is the personification of loyalty, faithfulness, and kindliness in Peoria High School. By the warmth of his ready smile, the humor of his good stories, and the youthfulness of his radiant personality he has endeared himself to the student body. For these qualities and for his patience and untiring efforts as Business Advisor of the CREST and as Treasurer of the school for nine years, we lovingly dedicate the 1936 CREST to him.

Thou hast set a goal for us — We seek it earnestly.

OUR SUPERINTENDENT

E. C. FISHER

The most loyal friend of the Peoria public schools is found in the person of their superintendent, Mr. E. C. Fisher; a man ever thoughtful of the interests of students, teachers, and laymen alike; a cultured, well-educated leader in an educating community. His personality, character, and reputation are an inspiration to all who come in contact with him.

May the loyalty which he shows the students, teachers, and workers of our school system ever reflect upon him to his happiness, well-being, and pleasure.

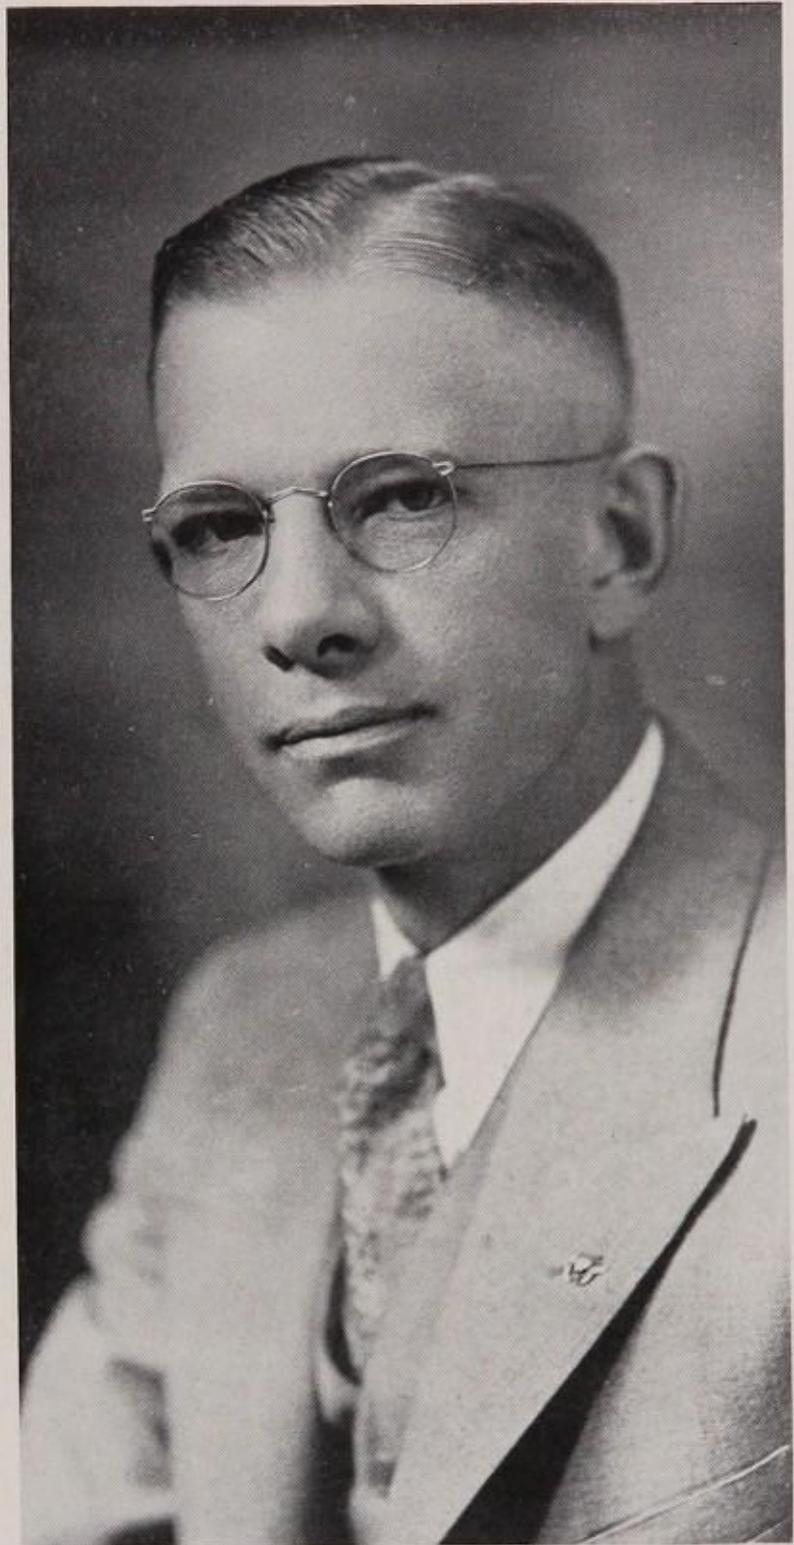

J. H. BREWER

The more familiar one becomes with a person, the more difficult it becomes to write mere words about him, and so we, the class of 1936, find ourselves at a loss to find phrases to describe our Mr. Brewer. The epitome of loyalty to our school, a supporting brace to all our clubs, the pivot of undergraduate life. We look upon him with emotion mingled with admiration, respect, and affection.

It is our fondest hope as we go forth from this, our alma mater, that his loyalty to all that for which he stands may inspire us to a real understanding of this quality, and an effort to further it in our own lives.

ELEANOR B. WATSON

ROSS L. JOHNSON

Loyalty, to the two busiest persons of Peoria High School, is a daily affair. Day in and day out, our Miss Watson and Mr. Johnson touch upon the lives of two thousand persons and enrich them greatly by their loyalty, sympathy, and understanding. To them loyalty is a necessity, *sine qua non*. In their lives we see mirrored the interests of Peoria High students who constantly approach them for aid and inspiration. Loyal to the last, they never fail us. We leave the school, greatly in their debt. May the other students who follow us enjoy these human teachers, and bask in their kindness.

Standing — Mr. Murphy, Mr. Heghin.

Seated — Mr. Barloga, Mrs. Wisman, Mr. Epstein, Miss Boynton, Mrs. Belsley.

Senior Class

THE finish of the current year will bring down the curtain on a great act, an act climaxing one of the greatest of school years.

To be sure we were greenhorns — perhaps the greenest ever to enter Peoria High School. But our class, we will agree, has come a great distance and has done many things, although there were our foolish deeds also. But as we progressed from year to year we became more and more the seasoned troupers. Through the brief span of our four years we have all made many friends. Some will be lifetime friends. But we are going to say goodbye to each other as we go our separate ways, perhaps to meet later in the outside world.

In our Sophomore year our class did its part to take a place in school activities. We initiated the Sophomore Frolic, which we are sorry to see forgotten. There can be no disputing the saying, in our Junior year, "There was never a better Prom." The Senior Hop also was a huge success.

We had our athletic heroes too. From our class came those who went down in athletic history. The football team had a greater year than ever before, and the team was composed of Seniors who made a name for themselves and P.H.S. on the battlefield. Our successful basketball team has also been composed entirely of Seniors.

The Senior Class Play, "Pomander Walk," was a great success. The cast departed from custom and presented a costume play. It was a gamble but again our class won out.

We have gained much in our four years. Each day we gather bits of experience to aid us in future years. We will go away from Peoria High with a sentiment of loyalty to our old school and a will to win in the world. We will always stand up for Peoria High School in memory of what she meant to us.

As a climax to the act the class left a stage set and badly needed lighting equipment for the auditorium stage. We do this with deep devotion to the school — our school, to which we will always point with pride.

So we ring down the curtain on a great act.

Senior Hop

ONCE again the seniors with their dates crowded the boy's gym for the annual Senior Hop. At this gala event on the night of January 31 they danced to the strains of Harry Hill's orchestra.

Confetti, intricate dance steps, and melodies from Mackey added to the enjoyment of the evening. Vari-colored lights playing upon the dancers helped to enhance the music of the orchestra.

Such events as this, which are sponsored by the school, are always well supported by the senior class. Our class was found to be loyal as usual.

Jack Parmenter, Sec.; Robert Saur, Treas.; Charles Gamble, V.-Pres.; Robert Vance, Pres.

Junior Class

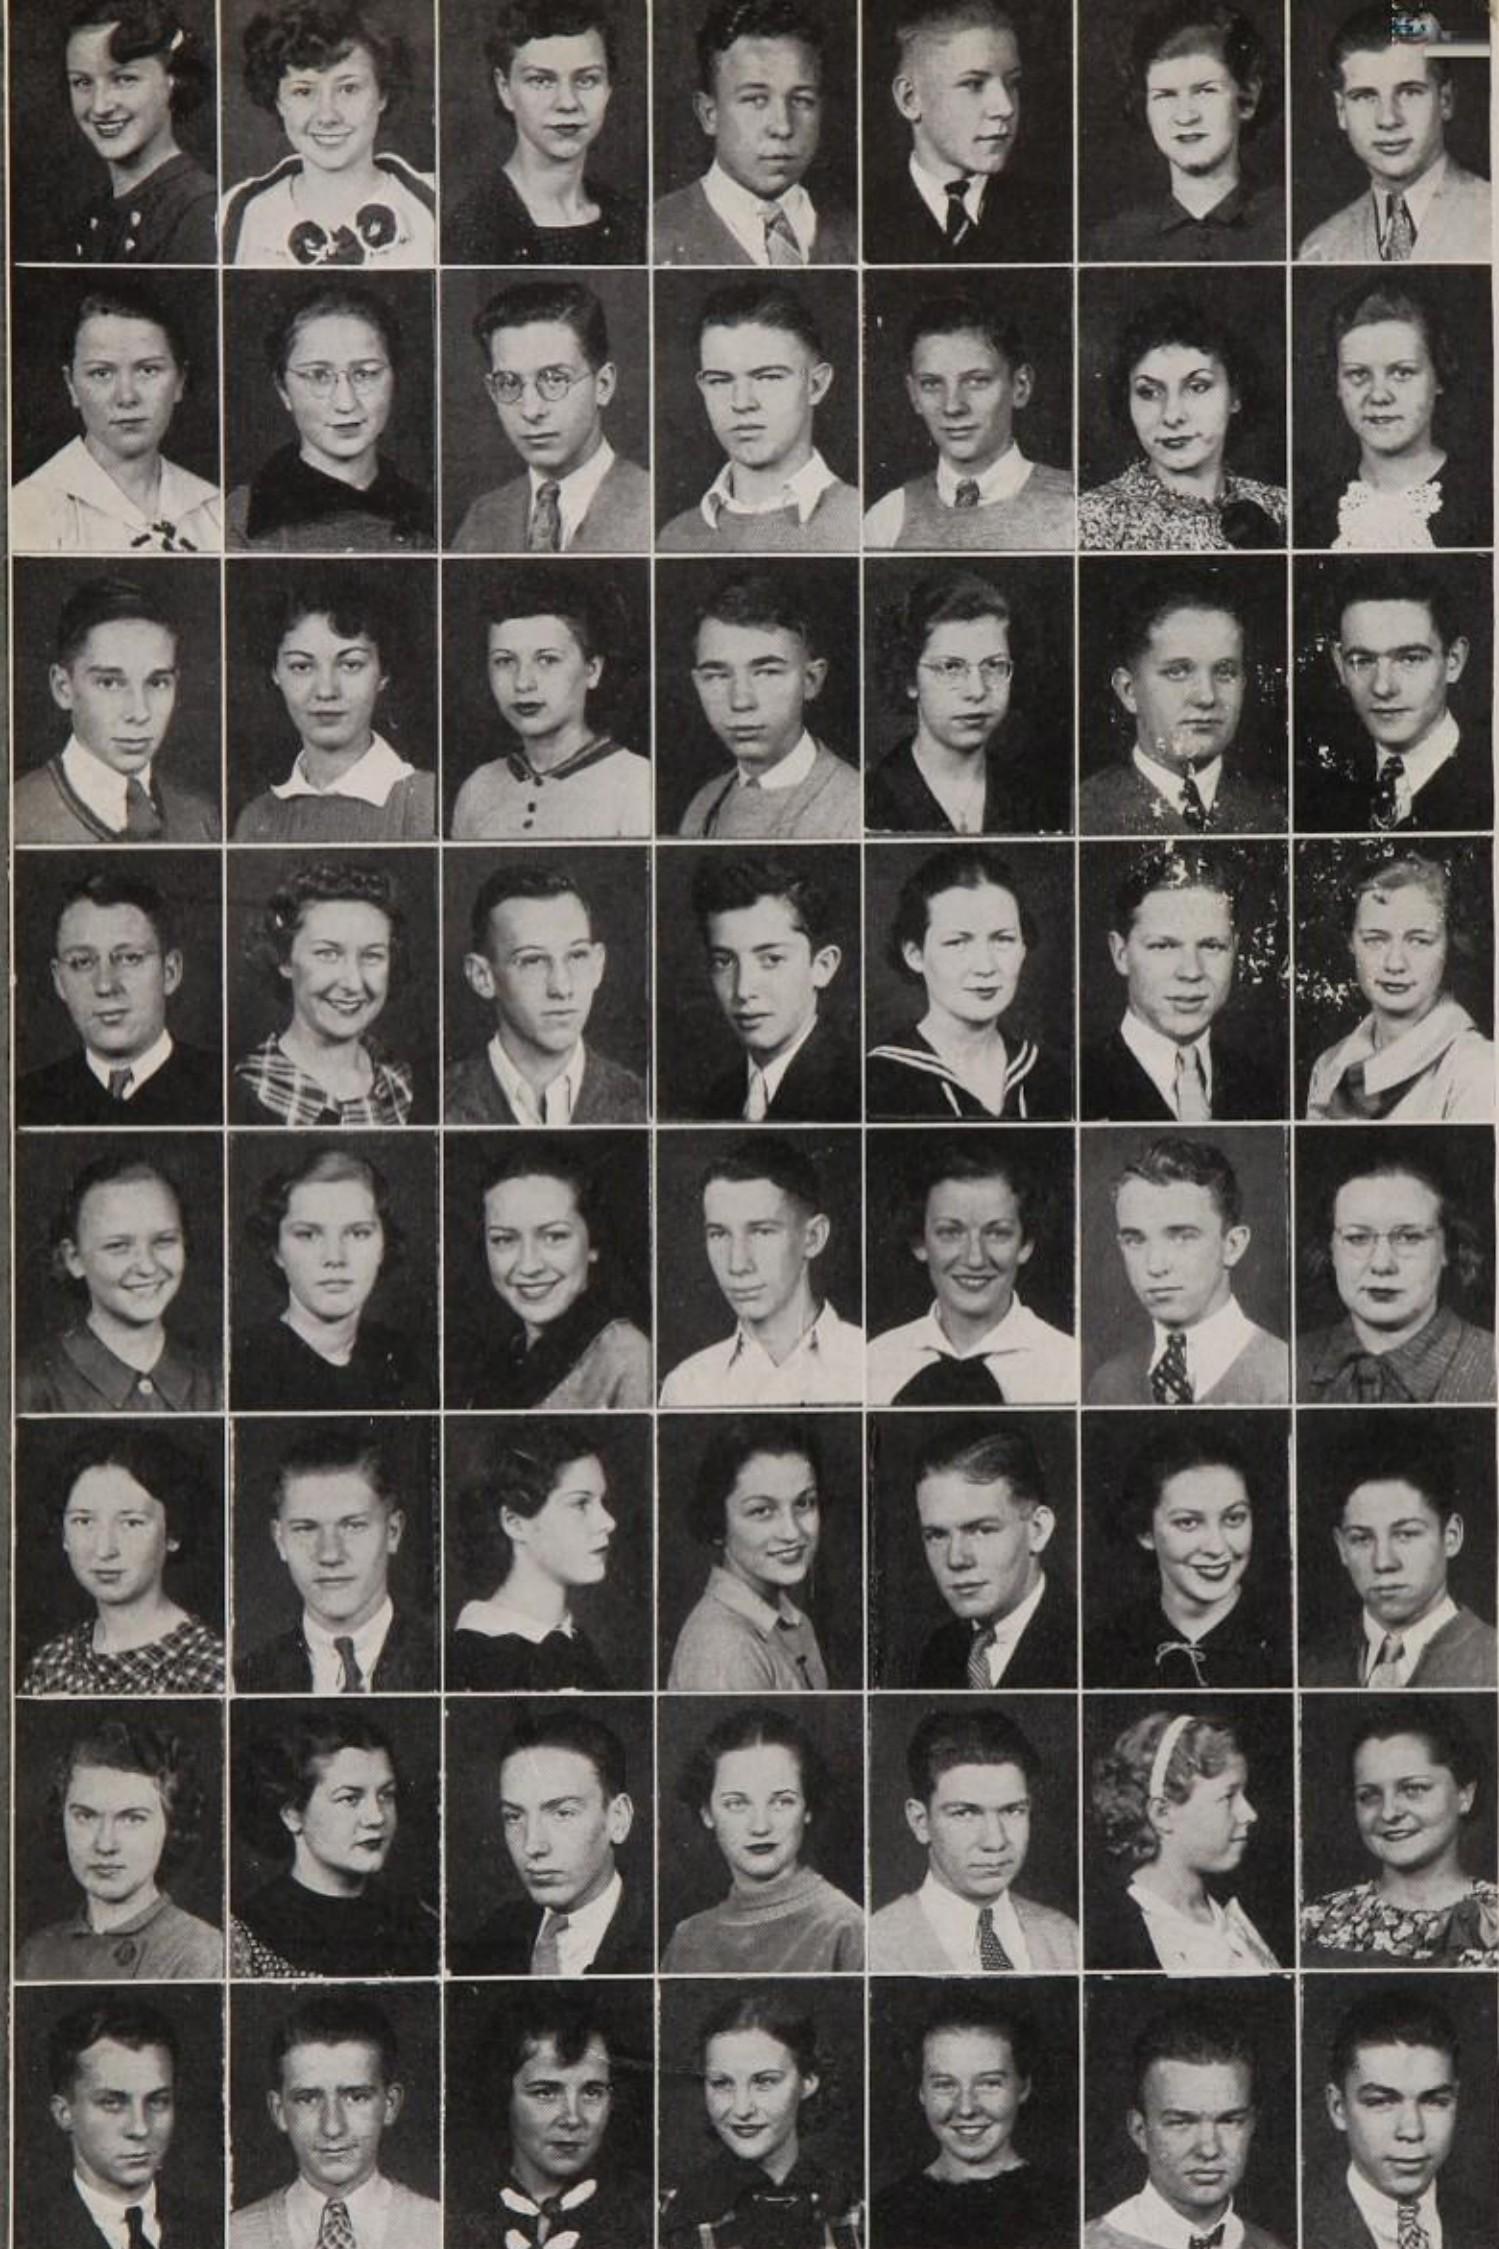

ALTHOUGH the 1935-36 Junior Class is the smallest of the year, its members have maintained its traditional characteristics of leadership, scholarship, character, dramatic ability, and athletic prowess.

Juniors have represented their group in almost every extra-curricular activity at Peoria High School this year. Perhaps the most distinctive position is that of editor of the *OPINION*, held by Bud Briggs. Several other juniors are members of the *OPINION* staff, and still others helped to publish the *CREST*.

It takes the cooperation of all members to keep the morale of a club or team alive. The juniors have, then, done much to bring about the spirit of loyalty and good-fellowship which exists within the school activities. We have had a chance to become well acquainted with our school, and with our vitality and spirit create an infectious influence over our fellow students.

The football squad had Dick Richards, a junior, as a regular, and Roger Sutton and Perry Golly were regulars on the basketball team. Jeanne Swann, Betsy Hunter, Shirley Caplan and Don Wollett had leading parts in "The Cat and the Canary", Jusendra's 1936 evening production.

Most glamorous of high school social events was the Junior Prom, held April 17 in the gayly-bedecked Inglaterra ballroom, with Lang Thompson's orchestra playing for the maze of dancers. The prom's spectacular success was the result of constant research and planning by the various class officers and committees under the guidance of Miss Edwardine Sperling and Joseph Sommers, class sponsors, who are indirectly responsible for the success of all 1935-36 junior activities.

Sophomore Class

WE'RE the Sophomores! You can't overlook us even if you tried, for our class has more members than any other in the school. Our activity has made us just as valuable as the upper classmen.

A large number of our more intellectually minded members were elected to Junior National Honor Society. Among the Charvice members may be found Margaret Ringness, Jean Clatfelter, Mary Jean Olsen, and Cherie Lidle. The sophomores in Promerito are Jim Briggs and Jack Hana.

Many of our members have been dispensing their energy in enlivening the clubs of our school.

The Sophomore Class is represented on Student Council by John Whisenand, Mary Ellen Steel, Jess Steidinger, and claims a large number of prefects in its ranks.

Not to be outdone by the members of clubs and societies some of the sophomores can claim membership on the football and basketball teams, organized especially for them. They have set some fine records, winning four out of six football games, and eleven out of fourteen basketball games.

Richie Anderson has for two years been on the swimming team which took first place in Big Twelve Contest. The student manager of the team is Rodman Thompson. Paul Jordan and Arthur Heidrich are also on the regular team.

The Sophomore Class has had some part in all the activities open to them and have cooperated with its sponsors, Miss Susie Jones and Mr. Joseph Meyers, in making a success of the class activities.

FOR THE KNOWLEDGE WE ARE
GAINING, GRATEFULLY WE STRIVE
FOR THEE.

PEORIA HIGH! It is our pride and our pleasure to see thee gain and grow and stand at the top! All our efforts shall be spent for thee! The seniors uphold the honor and glory of our school. They pass on, and juniors take their places. No less do they hold the banner high than do the Sophomores who, accustomed to thy ways, look ever to the time when they may be the accomplished ones! The freshmen, held lowly in the minds of their upperclassmates, are none the less industrious for their position! In honor and in love each class works to better itself and raise the standard of its school. For thee, Peoria High, our efforts are unending.

Charles Hogan, Vice-Pres.; William Trudgen, Pres.; Hope Anderson, Sec.-Treas.

Freshman Class

FRESHMEN? Yes, but what would any school be like without the fresh and humorous tinge which we provide?

Early in September, 1935, we arrived, a dazed but lively group of students. Our every action betrayed us, for we were, indeed, "Freshies".

We were received courteously by Sophomores, Juniors and Seniors too. They made us feel so much at home that the tension in every one of us died. We felt more free to mix, and we were not long in entering the many school activities.

The Freshman Class is represented in the Student Council by Joanne Miller, voted into office by the class. This shows that the Freshman are taking their place in the student government of Peoria High School.

Until the second semester we had no class officers. After we were better acquainted, Mr. Brewer appointed the officers mentioned above.

Although we are the subject of the many jokes and puns put forth by the Seniors, we nevertheless rank high in number and high in the spirit of the school.

We're only Freshmen once, and next year we will be welcoming others to take our places. Then we, old and experienced Sophomores, will have someone to look up to us. May we welcome the incoming as we were welcomed—graciously.

Opinion

FINDING its "place in the sun" this year has been the lot of THE PEORIA OPINION, official newspaper of Peoria High School, for it has moved from the "black-hole," its old pressroom, to a roomy, well-lighted building of its own on Michigan Avenue, across from the school and opposite the athletic field. The building was painted and redecorated and now contains a newsroom, composing room and classroom where the journalism classes meet to discuss and write stories for the paper. The journalism class is now able to meet in a laboratory style and write its stories under the leadership and guidance of the instructors, Miss Dorothy Crowder and Earl F. English.

This year for the third time THE OPINION has been awarded an International Honor rating by Quill and Scroll, international honor society for high school journalists. One of the highest honors given high school newspapers in the country was won by THE OPINION with an All-American award in the contest of the National Scholastic Press association. Another award was garnered by THE OPINION when the Columbia Press association awarded the paper a First Class blue ribbon. Out of a possible 1000 points, THE OPINION totaled 880.

Since the beginning of THE OPINION forty-seven years ago it has become one of the most completely equipped high school print shops in the country. In addition to its three Linotype and Intertype machines, mat roller, make-up forms, electric saw, routing machine, job press and type cases, last year it purchased a Monotype machine for casting individual pieces of type for hand set work.

For the first time in the history of THE OPINION it has its own camera, purchased by Student Council, and cameraman. Bob Wolber has charge of taking pictures while the faculty adviser is J. Huber Sammis.

Under the leadership of this year's staff many changes have been made in the make-up of the paper. The name plate was changed from Kabel type to that of Old English. THE OPINION felt that since it has been in existence for forty-seven years a name plate of this nature might help to connote the paper's many years of service to the school.

Opinion

THIS year, for the first time in its forty-seven years of existence, THE OPINION printed a special Christmas edition of twenty pages; the first eight was the regular news section; section two was the Christmas supplement of eight pages printed on green paper; and the last four was a special sports section.

On Thursday and Friday, March 12 and 13, THE OPINION struck a new note in Peoria High journalistic history by supplying the school with complete coverage of the Peoria sectional tournament by issuing a paper on both days. Friday's paper contained a complete account of the game played the night before with a box score and detailed description of the game in which Peoria downed Colchester.

This year THE OPINION has established a precedent for future papers in that it has taken sport pictures as late as Thursday night, had the pictures developed and engraved and put in the paper for the next day. The local newspapers, The Peoria Star and The Journal-Transcript, have been especially helpful in lending THE OPINION mats and cuts for reproduction.

Through the co-operation of the students in buying tickets to see Charles Vance, magician, the staff was able to go to Milwaukee, Wisconsin, on December 5, 6 and 7 to attend the annual convention of the National Scholastic Press Association. Those who took the trip were Bud Briggs, Jim Rindfuss, Joe Hession, Don Wollett, Art Szold, Howard Andrews, Jeanne Swann, Virginia Sefton, Ella Lawton and Mr. and Mrs. English.

Again this spring the staff sold doughnuts so that it could go to the Medill Press contest held at Northwestern University May 1 and 2.

Opinion

A SIDE from the regular routine of making-up the paper, THE OPINION staff enjoyed a spread held in the journalism building once a month.

The editorial department, under the direction of Earl English, instructor of journalism and printing and Miss Dorothy Crowder, instructor of newswriting includes: Bud Briggs, editor-in-chief; Jim Rindfuss, assistant editor; Joe Hession, editorial editor; Virginia Sefton, feature editor; Ella Louise Lawton, copy editor; Jeanne Swann, society editor; Art Szold, sport editor; Don Wollett, business manager; John Martin, advertising manager; Howard Hudson, assistant advertising manager; John Immel, mailing manager and Bob Wolber, cameraman.

A unique contest was held in the lunch hour assemblies in which Bob McCord was chosen assistant sport editor; sports questions were asked from the stage by Art Szold, sport editor and Bud Briggs, editor-in-chief, and the person answering the most questions was chosen as assistant sport editor for next year's staff.

During this year Jack Carney and Jack Heschong served as news editors. News stories were written by the newswriting classes. Columnists included Wallace Chessman, feature writer; Mary Jane Dempsey, "Knockin' 'Em Out;" Clara Walsh, feature writer; Jean Doughty, "Birthdays;" Joe Hession, "The Zitherino;" Frances Stutzman, "Stutzman Asks;" Bob Leu, "How We See It from the Bleachers;" June Newsam, "Alumnae;" Mildred Lindeburg, "Seen in the Shops;" Virginia Gulick, "Book Report"; Ted Reese, "Would You Believe It?" Bill Conway, "Soap Suds;" Constance Brown and Catherine Aaron, "Bits O' Gossip;" and Deane Richardson, "Big 12 Sports." Thursday night workers include Bud Briggs, Jim Rindfuss, Joe Hession, Art Szold, Howard Andrews, William Brown, Robert Immel, Paul Donovan, Charles Linton, Ernest Haefli, Lyle Halfhill, Gregory Williams, Paul Hartzell, Perry Knobloch, Roy Orr, Lyla Lee Haney, Russell McMullen, Virginia Sefton, Ella Louise Lawton, and Prenda East.

Student Council

STUDENT Council is the legislative body of Peoria High School. As such, it is willing at all times to consider the wishes of the student body and pass legislation which will benefit the majority of the students. Notable among the achievements of the past year has been the splendid cooperation of the Council with the school administrators. A maximum number of Social Hours has been held this year by the permission of Principal J. H. Brewer. All of the proceeds derived from the Social Hour Assembly has been turned over to a special Projection Machine fund with the thought of purchasing a suitable sound projection machine for the auditorium. Permission was obtained from the Board of Education to open the Book Exchange at the beginning of the second semester in order to again provide a method for students to dispose of their used text books at their own price. This service has proved very popular. The third annual Student Directory was published by the Directory committee with the assistance of the OPINION.

The "paid assemblies" were again chosen by the council.

Representatives of P.H.S. council have attended all Intra-City Council meetings and have taken an active part. For the second year delegates were sent to the State Association of Student Councils, held at Pekin, Illinois. Other activities that have been carried on are: Making assembly announcements, sponsoring "pep" assemblies, providing materials for the prefects, conducting elections, and placing conduct signs in the corridors.

Body Guard

THE Body Guard, led by Magistrate David Steinbach, is an organization of sincere, dependable, capable students whose duty it is to guard and regulate the traffic in the halls, to inspect and supervise the school grounds and the building in order to secure better conditions of cleanliness, sanitation, and order, to serve at matinees and other performances when called upon, and to enforce the school constitution and any other rules of conduct authorized by the Principal or passed by the Student Council as necessary for the welfare of the student body.

The Body Guard consists of one magistrate, one praetorian, ten captains, and approximately sixty prefects. The average number for each hour of the school day is seven. The duties of the members are to collect absence slips, to require that anyone passing through the halls during classtime has a pass, to direct traffic on the stairs, to collect tickets for assemblies, to maintain discipline during social hours, to layout and paint traffic signs, and to assist in running errands for the office and the deans.

Members of the Body Guard serve the school without hope of reward and without school credit. Absence from school is at a minimum and many of the personnel are on the Honor Roll regularly. Much credit must be given to the Body Guard for its tireless, unselfish effort to keep the school in excellent condition. Plans are being made to equip the force with a new type of arm badge which will be both distinctive and useful. The student body as a whole has learned to respect and admire the members of their police force, and many names are on the application list waiting for the next opening.

Jusendra

IN THE fields of dramatic and forensic activity, Jusendra has attained new heights this year. The membership was larger than in previous years, and great interest was displayed by the members in all of the club's activities.

Jusendra attempts to achieve two main purposes: first, to train students in the rudiments of dramatics and the technique of the theatre; second, to arouse interest and uncover new talent in all forms of speech activity, such as declamatory oratory, extemporaneous speaking, original oratory, and humorous and interpretative dramatic reading. Every member of the club is eligible to try out for any play or speech contest, according to the point system, if his work is satisfactory.

Jusendra instituted a new plan for admitting new members this year. All students were required to appear in public try-outs and sight-read a number of dramatic selections. If the student displayed a reasonable amount of talent and interest, he was admitted to the club. This new procedure was introduced in order to have only interested students in the club's membership.

More active members than ever before have given much time and energy to the year's productions. Jusendra has presented numerous programs for the school assemblies, and three major evening performances open to the entire student body. The club has also sent contestants to the inter-school speech contests held throughout the state, including the sub-district contest of the Illinois High School Speech League at Canton; the district contest of the Illinois High School Speech League at Macomb; the state contest

Jusendra

of the Illinois High School Speech League at Urbana; the state contest of the National Forensic League at Lincoln; the invitational contests at MacMurray College, Jacksonville, Illinois; the invitational contests at Illinois Wesleyan University; the Big Twelve meet at Pekin; the national N. F. L. meet at Oklahoma City, Oklahoma. Peoria Central won first at the sub-district meet at Canton, and placed high at other contests in which it was entered. Jusendra has furnished programs for the meetings of various civic organizations. Speakers were also sent to the Safety Council, an organization formed to promote safe driving among young people of high school age.

Variety was added to the regular monthly meetings of Jusendra by the introduction of a one-act play at nearly every meeting. This proved very popular and created much interest. Early in the year Mr. Charles Barnum, publicity manager of the Peoria Players, spoke to the members of the club.

The members voted to have one major three-act play, "The Cat and The Canary", an evening production, which was given Thursday and Friday, April 23 and 24. A group of three one-act plays was presented to the student body as an evening production late in May, and another one-act play was presented by a select cast for the enjoyment of the Big Twelve contest in Pekin, also in May.

Last year Jusendra instituted the plan of having an annual banquet as a conclusion of the year's activities. This banquet, last year, was held at the Jefferson Hotel, with Mrs. Frank Gillingham Morrill as the principal speaker. About one hundred members of Jusendra attended this banquet. Plans are now being made to continue the custom thus established by concluding this year's activities with a similar banquet.

Jusendra

EARLY in the first semester, Jusendra presented the "Jusendra Amateur Night," first of its kind in the history of the school. Fourteen separate acts were offered for the approval of the audience, every one containing solely local school talent. Cash prizes were given to the most popular acts, and the terrible events were "given the gong". Cartwright's orchestra was on the stage, and played at intervals throughout the performance. Bob Cartwright was the master of ceremonies.

First prize in this competition went to Nelson and Bickle, a team of clever dancers. Second prize was awarded to Shirley Van Dolah, who did a series of clever impersonations. The third prize went to "Caspar Came Home With Shoes On," a hill-billy "meller-dramer" written by Joe Hession and presented by a group of ten senior boys. The fourth award was presented to McClintick and Carey, a two-girl singing team.

Another entertaining feature of Jusendra activities which has occurred since the last appearance of the CREST was the all boys musical comedy, "Ali Baba of Bagdad," which was presented to a packed house in the high school auditorium on graduation eve last year. This entire production was written and directed by Mr. A. L. Epstein. Few productions in recent years have been received with as much enthusiasm as was this colorful musical comedy. The story centered around a group of American tourists who became involved in unexpected difficulties in and near the mysterious old city of Bagdad.

Space does not permit a full discussion of all of the one-act plays and other matinee performances of the year but it was generally agreed that this year's dramatic program was the most comprehensive of any for several years.

Jusendra

"THE CAT AND THE CANARY"

"THE Cat and the Canary," famous three act mystery melodrama by John Willard, was chosen by Jusendra as its major evening production for this year. This play, under the direction of Mr. David Owen, was presented on the evenings of Thursday and Friday, April 23 and 24. The new set bought by the Senior Class was used for the first time in this play. The scene for the first and third acts was the library of an old mansion, of Glencliff Manor on the Hudson River. The scene for the second act is a bed-room of the same old mansion. Of particular interest was the unusual lighting used in this play. There were no foot-lights used at any time during the play, all light coming from ten baby-spots.

The parts in the play were taken by the following students: Annabelle West, the attractive young heiress, by Jeanne Swann; "Mammy" Pleasant, the old family servant, by Betsy Hunter; Charlie Wilder, good looking young man in love with Annabelle, by Don Wollett; Paul Jones, a bashful young "horse doctor", by Joe Hession; Harry Blythe, stolid, cynical man of thirty-five, by Frank Reichelderfer; Roger Crosby, the old family lawyer, by Douglas Sherwin; Susan Sillsby, the prim, but sometimes hysterical cousin, by Doreen Young; Cecily Young, a romantic but timid girl, by Shirley Caplan; Hendricks, brutal, insane asylum guard, by Wally Chessman; Patterson, mysterious doctor, by Moreland Wooleyhan. Jim Brown was student assistant to the director. Bob Wolber was student director of lighting. Betty Orwig, Ada Mae Ausbury and Wilma Jennings, were prompters.

Cue Club

MORNING GROUP

President, Harriet Vance; Vice-President, Jack Downing;
Secretary, Cherie Lidle; Treasurer, Jayne Cowan

AFTERNOON GROUP

President, Frank Barnette; Secretary, Dorothy Stringham;
Treasurer, Walter Klein

THE Cue Club was organized in 1931 for the purpose of giving to the freshmen and sophomores an opportunity to express themselves in dramatic art. From its inception the club has had a very successful career. It meets regularly on the first Friday of every school month, at which time a program is given under the direction of the program committee. Actors are chosen through try-outs conducted by a student program committee. Plays are student coached, and all other details such as costuming, stage setting, and lighting are taken care of by members of the club appointed for this purpose. In this way an attempt is made to give each member an active interest in the affairs of the club.

The series of dramatic programs this year has been varied by a brain teaser contest and by a radio program of musical numbers. This year the club has been particularly fortunate in being able to secure Miss Geraldine Iler, of the Speech Department, to give a talk on "The Art of Make-Up," accompanied by practical demonstrations. This meeting was most enjoyable and profitable.

In addition to the programs given at the regular meetings, the club has furnished two assembly programs.

On account of our double session, the club is organized in two groups. The morning division is sponsored by Miss McGrath, and the afternoon division, by Miss Maxfield.

Top row: Janssen, Lidle, Weers, Vance, Miller, Chown, Van Deusen.

Fourth row: Klein, Brackett, Ball, Nutty, Clatfelter, Rutherford, Kaemmerling, Gedge.

Third row: Purcell, Stuffings, Huber, Connolly, Miss McGrath, Hoerr, Martin, Johnson.

Second row: Barnes, Welch, Hicks, Rodenhauser, Steele, Imthurn, Miller, McClugage, Murphy.

First row: Leonard, Williams, O'Dea, Neff, Kirk, Wemple, Barfoot, Boyd, Thompson.

Top row: Maurer, Breitenstein, Parkhurst, Parks, Foster, Mason, Mallm.

Fifth row: Rook, Kantor, Michell, Osborn, Heilman, Stacy, Kastien.

Fourth row: Lemkemann, Arends, Crum, Howells, Sommer, Jones, Gosch, Beauregard.

Third row: Absher, Patterson, Rexroah, Flannery, Miss Maxfield, Ernsberger, Robbins, Reichenfelder, Tobin.

Second row: Stringham, Edie, Hunt, Peterson, Sheely, Smith, Springer, Miller.

Cue Club

"**T**HE Christmas Party," a play directed by Jayne Cowan and Bill Foster, was presented at the regular December meeting of the morning section of Cue Club. Properties Committee: Dorothea Crum, Ida Miller. Cast: Camilla Rose, home from college, Eleanor Welch; Gus Rose, high school boy and sweetheart of Polly, Jay Breitenstein; Mrs. Rose, Mildred Arends; Jane Abel, Mrs. Rose's sister, Betty Martin; Polly and Janet, high school girls, Virginia Sommer and Hester Jones; Maid, Jane Miller.

"**H**er Deaf Ear," was directed by Ida and Jeanne Miller. Properties committee: Vicki Michel, Eleanor Welch. Cast: Abigail Nason, a severe old maid, Harriet Vance; Helen Vance, her niece, Dorothy O'Dea; Maid, Eleanor Welch; Reginald Blair, a wealthy suitor, Jay Breitenstein; John Gay, not so wealthy, John Michell.

This play was presented at the regular February meeting of the morning Cue Club, was repeated two weeks later for the "Mid-Bluff Men's Club" at Arcadia Presbyterian church, and was again repeated for a school assembly March 4.

"**A**lmost Trouble," coached by John Wemple, was an interesting little farce concerning the jealousies and misunderstandings of four young people. The parts were capably played by Joe Murphy and Barbara Ann Weaver as George and Cora, Walter Klein as Billy Lawrence, and Hope Anderson as Marie Deverau, a charming French girl.

"**C**hristmas Cheer," was the Christmas offering of the afternoon section of Cue Club, under the able direction of Julia Kantor and Anna Sutter. Complications arise when it is learned that Dolly and Ted, who have been invited to spend the holidays in the home of the Terrells, have quarreled violently. The parts of Dolly and Ted were played by Emily Stacy and Walter Klein. Richard Tobin and Shirley Smith took the parts of Mr. and Mrs. Terrell bringing about a happy solution of a difficult situation.

Senior Class Play

"POMANDER WALK"

THE Senior Class play which was presented on November seventh and eighth, was a three act comedy entitled "Pomander Walk," directed by Miss Geraldine Iler.

The setting is a delightful old street on the outskirts of Chiswick. There are two brick houses of Queen Anne style on the right, the first belonging to the old sea captain, Sir Peter, the other to Madame and her daughter, Marjolaine. On the left is the gazabo, a summerhouse, which figures greatly in the plot.

Helen Jean Waggoner played the part of the young French girl who had recently moved to England with her mother, played by Sarah Ann Michell. Their neighbors were: an old sea captain and king of the "Walk," played by Frank Reichelderfer, with his man-servant, played by Bill Hart; a retired butler, played by Douglas Sherwin; a widow, played by Audrey Bunting; a pair of maiden sisters, played by Catherine Aaron and Robby Anderson, whose interest centered in the hunch-back fiddler, Jack Carney. There were the minister, Moreland Wooleyhan; a sailor, Jim Brown; his father, Emerson Rapp; and a rich man's daughter, Virginia Owens. Character sketches which added color to the play were portrayed by Jack Flora as "The Eyesore"; Marjorie Merchant as a nurse; Quentin Welander as the "Lamplighter"; Jack Heschong as the "Muffin Man"; and Virginia Watkins as a French maid.

Invaluable service was rendered by Laura Bornholdt and the class sponsors, Miss Irene Bunch and Mr. David Owen.

Left to right: Aaron, Merchant, Welander, Heschong, Watkins, Bunting, Flora, Hart, Reichelderfer, Sherwin.

A Cappella Choir

"Music enveloped and permeates the world in which we live, and water and sky are full of elemental music of many kinds and degrees of intensity. The wind sings through the responsive leaves and plays on the harp strings of the waving reeds by the rivers; birds pour forth their lyric tunes to charm the waking morn; and the ocean waves swell in rhythmic chorus as if at the command of a master conductor."—FRITZ KREISLER.

AS THE symphony orchestra stands at the peak of instrumental music, the a cappella choir is the symbol of the very finest and most difficult of all vocal ensemble singing. It is truly a vocal symphony and one cannot imagine anything more beautiful than the sound of voices blended in song without instrumental accompaniment.

Peoria High School has an a cappella choir under the direction of Miss Katherine Jackson of which it can be justly proud. For two years, 1933 and 1934, the choir was first place winner in Big Twelve, and with the elimination of first, second, and third place ratings in the 1935 contest and group classification instead, it was a class A winner; thus it became a first place winner for three consecutive years.

The 1935 and 1936 choir is the largest in the history of the school and one of the largest in the state with a membership of 127 students most of whom are Juniors and Seniors, have had previous Glee Club and choral work, and show musical ability.

Top row: Booth, Green, Sawyer, Woodfill, Claus, Haller, Jennings, Thomas, Satchfield, Darst, Keele, Heschong, Reinken, Holcomb, Rapp, Carney, Nuess, Mendenhall, Kantor, Kastien.

Third row: Williams, McClintick, Aldrich, Bush, Stimeling, Morton, Martig, Everts, Kinsinger, Newberry, Jameson, Cooper, Hackett, Seaton, Rittenhouse, Lyons, Lasko, Zieman, Van Dettum, Stewart.
Second row: Stein, Arends, Fischer, Burdick, Stringer, Wright, Roark, Marquess, Gamble, Parkhurst, Anderson, Feigenbaum, Miss Jackson, Miller, Wasley, Crawford, Eubanks, Budd, Hootman, Allen, Keele, Spencer, Edie, Miss Carey.
First row: Michell, Waggoner, Orwig, Eken, Barrick, Wadell, Lasko, Bristol, Shoots, Wooleyhan, Reichelderfer, Cartwright, Steinbach, Smith, McMillan, Rauch, Turnbull, Wright, Foberg, Miller, Dillon, Jennings.

The choir is one of the most active organizations in school and throughout the year gives many concerts and programs. This year one of the major projects of the combined High School Music Departments was a series of Sunday afternoon Vesper Services given once a month with the a cappella choir appearing twice on these Vesper programs.

One of the most distinct honors conferred upon the choir this year was its being asked to furnish the choral program for the lecture of Dr. Kagawa, the noted Japanese political and religious leader who spoke before a large audience at the Shrine Temple.

Last year at the close of the Big Twelve music contest, the combined a cappella choirs presented a Festival Program. A group of sixty members of the Peoria High a cappella choir was one of three of the choirs selected to sing a group of songs; then the combined choir sang a group of songs under the direction of Dr. Earl V. Moore, Director of the School of Music at the University of Michigan. The combined choirs will present a similar festival at Big Twelve this year and the members of the choir are anxiously looking forward to the singing again under the inspirational direction of Dr. Moore.

All members of the choir give a great amount of their leisure time to the many programs and concerts the group presents and deserve much credit for their accomplishments.

Boys' and Girls' Glee Clubs

"Music ought to be a part of every important enterprise in life. It expresses as nothing else can men's highest aspirations, deepest sorrows, patriotic courage, and love of country and home."—ARTHUR BRISBANE.

THE first specialized singing groups to be organized in high schools were boys' and girls' glee clubs, for the purpose of acquainting the students with the best in choral music and giving them training in a way in which they might better use their leisure time. Peoria High has long had such groups and they have brought many honors to the school.

The Girls' Glee Club consists of fifty junior and senior girls all of whom have previously sung in Freshman and Sophomore chorus. They sing some of the finest music written and arranged for women's voices and they give many programs throughout the school year.

Each year a group of thirty girls selected from the Girl's Glee Club has entered the Big Twelve Music Contest and has won many honors for Peoria High School. The girls were class A winners last year in Big Twelve, and will sing again this year at the contest to be held in Pekin.

The Glee Club is made up of about sixty boys most of whom have previously had chorus experience and not one who does not thoroughly enjoy doing his bit to make beautiful music no matter whether it be a solemn sacred song or a rollicking sea chanty.

Peoria High School had another Class A winner at Big 12 last year in the Boys' Glee Club; thus it was made Class A winner in all three choral events. The credit for these honors belongs to the music instructor, Miss Katherine Jackson.

Small Ensembles

DURING the past three years a new extra curricular activity in the form of small vocal ensembles has become very popular. These small ensembles in the form of madrigal singers, single and double quartettes, single, double and triple trios and mixed quartettes rehearse after school, sing for luncheon clubs, Parent-Teacher Association meetings, and assemblies and in the Spring take part in the Big Twelve music festival. They are ably directed by Miss Katherine Jackson who spends much time outside of school hours with these activities.

The first of these ensembles to be organized was the madrigal singers, a group of eight singers, four boys and four girls, who follow the custom of early English singers, that of sitting around a table and singing without accompaniment or direction. They take their name from the Madrigals, the type of song they sing, which was the first type of music written to be sung without accompaniment.

This group was one of the first of its kind to be organized in a high school, and in the three years since it was first organized has become more and more popular. Each year the personnel of the group is changed due to vacancies caused by graduation, but the organization remains and has won itself a permanent place in the Music Department. Membership in this group as well as in all small vocal ensembles is determined by a series of try-outs held early in the school year and the members are usually also members of the a cappella choir or glee clubs.

The Madrigal singers, boys quartette, double quartette, trio and double trio will enter Big Twelve at Pekin. In addition there will be two new ensembles this year, a freshmen girls ensemble and a double trio of sophomore girls.

Last year all of our small ensembles entered the Big Twelve contest held at Pekin. The madrigal singers, boys quartette, boys double quartette and girls trio were class A winners and our mixed quartette was a winner in Class B.

The boys quartette is another very busy and very popular ensemble. They have been called upon many times to furnish programs for clubs and organizations.

Band

President, Bill Hart; Vice-President, Quentin Welander; Secretary-Treasurer, Ralph White;
Librarians, Jack Burrell, Jack Weidner

THE Peoria High band has just completed its twelfth successful year under the direction of L. Irving Bradley, supervisor of instrumental music in the Peoria Public Schools. The band played at all the home football games but one and at Pekin for one game. They also played at the most important basketball games including the Sectional Tournament at the Peoria Armory which was sponsored by Central High.

The band, for the second time, entered the District Band Contest which was held at Pekin. They succeeded in placing in the First Division of Class A Bands.

Advanced Orchestra

President, John Hyler; Vice-President, Elsie Kant; Secretary-Treasurer, Irvalene Bradley;
Librarian, Fern Gregor

THE Advanced Orchestra has been very active this year playing for the mid-year graduation, the Senior Class play, "Pomander Walk", the Jusendra production, "The Cat and the Canary", and numerous other events in and out of school. An event to which the members of the orchestra long look forward every year is their annual concert, which takes place in the middle of May.

Through the efforts of Irving Bradley, baton wielder, the orchestra has become one of the finest musical organizations in the school.

Band

NINE Soloists and one woodwind Ensemble participated in the Solo and Ensemble Division of the District Contest. The following placed in first division. They were Rob Cowan, flute; Catherine Baer, piano; Ed Greiner, bassoon; John Whisenand, clarinet; and the ensemble consisting of Jack Burrell, John Whisenand, clarinets; Julie Ann Ball, oboe; Ed Greiner, bassoon; Ted Reese, alto clarinet; and Rob Cowan, flute. Second Division winners were Fred Silzer, cornet; Fern Gregor, clarinet; Julie Ann Ball, oboe; and Charles Mercer, flute. Third Division winner was John Hyler, cornet.

Beginning Orchestra

President, Dorothy Bischoff; Vice-President, John Jerome;
Secretary-Treasurer, Bob Wulff; Librarian, Leonard Hippe

THIS organization meets every Tuesday and Thursday under the direction of Mr. Bradley. The purpose of this organization is not only to develop technic and tone quality, but to stimulate a desire on the part of the student to want to play the more difficult compositions, and to appreciate good musical literature. The group this year has been very diligent in their work and enthusiastic over orchestra. They will make excellent prospective members of advanced orchestra another year.

Stamp Club

President, James Argodale; Vice-President, Bill Lynch;
Secretary, Bill Trudgen; Treasurer, Charles Hogan

COLLECTING postage stamps has for many years been the hobby of many, appealing to young and old, rich and poor, high and low, and never has its appeal been greater than at present. This hobby is both recreational and educational as it affords relaxation and profitable use of leisure time and it may be pursued quite inexpensively. A stamp collection may be regarded as a miniature art gallery. A stamp club, then, is a desirable extra-curricular activity in any school. Ours meets twice a month to discuss topics of philatelic interest, to hold auctions, to buy and sell, and to view the collections exhibited by the members. These meetings are well attended and are a stimulus to all in increasing their interest in the subject and in enlarging their collections.

Social Science Club

Sarah Ann Michell, President; Franklin Jones, Vice-President;
Elizabeth Johnson, Secretary-Treasurer

THE Social Science Club was organized in 1923 to stimulate interest in the study of social science and to encourage its members to become active and intelligent citizens.

In the meetings of the past year the members have discussed many of the difficult problems that we as a nation are facing. Speeches by Mr. Freeman on "Conditions in the Far East," Mrs. Braun on "Siberia as Seen from the Trans-Siberian Railway," and Mr. Maticka on "Juvenile Delinquency" and the "Work of the Big Brother Movement in Peoria" were very interesting. Mr. Heghin, the able sponsor, reviewed the book "Forty Days on Musa Dagh". This was a rare treat as he knew many of the characters in the book personally. Those mainly responsible for the "Pathfinder", the Club's official publication, were Frances Stutzman, Mary Jo Johnson, Prenda East, Jessie Glabe, and Robert Cartwright.

German Club

President, Francis Tetmeyer; Vice-President, Art Faner;
Secretary-Treasurer, Louise Vierling

"*DER Deutsche Verein*" under the sponsorship of Fraulein Ziegler has enjoyed a very successful year. The meetings were held at the homes of the various members in the evening. A variety of programs were presented at the meetings. Since Germany is the fatherland of many world-famous composers, as Bach, Beethoven, Mozart, and Wagner, the lives and works of these men were discussed. A musical memory contest and a German play were given at two of the meetings. At another of the meetings members of the third year German class conducted a very interesting discussion of Schiller's play, "Wilhelm Tell." At the close of the regular meetings, German folk songs were sung. All of these programs were instructive as well as entertaining.

French Club

President, Mary Daglas; Vice-President, Laura Bornholdt;
Secretary, Jeanne Swann; Treasurer, Becky Peters

"*VIVE la Fleur de Lys!*" is the motto of the members of this popular club. The club, under the sponsorship of Miss Bunch, aims to familiarize students with practical, conversational French and also acquaint them with French games, songs, and customs. At the meetings, which are held frequently at the homes of the members, students forget English and speak French. For entertainment, there is everything from brain teasers, all in French, of course, to puppet shows. The program is always followed by tempting refreshments. As a grand finale for the year, a banquet is held.

CHARVICE

Charvice

President, Lucille McClintick; Vice-President, Lois Dobbins;
Secretary, Elizabeth Fischer

THE girls of Charvice pledge themselves to active participation not only in all projects fostered by Charvice but in all activities sponsored by other organizations of the school. They usher at Parent-Teachers meetings and other evening entertainments; they assist in the library; and they help in the Dean's office. By vote of the entire faculty, members are elected into this honor society on a basis of outstanding character and a willingness to serve. Sponsors of Charvice are Miss Hayes, Miss Coppock, Miss Wilde, Miss Ottenheimer, and Miss Wilson, with whom the girls meet regularly the second Thursday of each month.

Promerito

President, Harold Feigenbaum; Vice-President, George Fanning;
Secretary-Treasurer, Deane Richardson

PROMERITO was founded in Peoria High School in 1929. Sponsors at that time were Mr. Barloga, Mr. Burns, and Mr. Gobble. Promerito is the boys' honor society, established to encourage service and loyalty to Peoria High School. Members are elected from among those who have shown unusual activity in extra-curricular clubs, leadership around school, particular helpfulness to teachers, and are of high character.

Candidates are nominated by members of the faculty from their classes and clubs; they are then passed on by the Principal and sponsors. The sponsors this year are Mr. Barloga and Mr. Westhoff. All sophomore, junior and senior boys are eligible.

Senior National Honor Society

ACH year fifteen per cent of the entire Senior class is elected to the National Honor Society. This is the greatest honor that a student can attain during his high school life. The qualities which a student must possess in order to be elected to this society are scholarship, character, leadership, and service. He must have demonstrated to the faculty that he has always had a good attitude toward school and study and that he has the ability to cooperate in all ways in order to further the interests of the school. The members of the faculty carefully consider the qualifications of students before a vote is taken. Each spring in Peoria High School the members are recognized in a special assembly held in their honor.

Junior National Honor Society

THE membership of the Junior National Honor Society is taken from the advanced Freshman and the Sophomore classes. Due to the fact that members of these classes do not have much opportunity to display leadership and service, emphasis in this group is laid on scholarship and character. To become a member of this Society students must have an average of A or B in scholarship. Toward the end of the year the members are presented to the school and each is given a bow of four ribbons: gold for scholarship; white for character; green for leadership; and blue for service.

The purpose of the organization is to bring these ideals before the school as an incentive toward the best citizenship.

Tri-S

OFFICERS

Allen, Miss Waltmire, Baer, Newberg, Foberg, Jacobs, Ott, Shofe, Frye

TRI-S, a Girl Reserve Club at Peoria High School, is a branch of the Y.W.C.A. It is a club giving the girls who belong an opportunity to make new friends and to strive toward higher ideals.

The name Tri-S stands for Social and Spiritual growth and for Service. These phases of activity signify the physical, spiritual and mental sides of life.

The Girl Reserve Secretary at the Y.W.C.A., Miss Frances Vanderlinden, has been a faithful and enthusiastic friend of the club, giving much of her time to our activities. The Girl Reserve committee and the sponsors, Miss Edith Adele Lowry and Miss Lucille Waltmire, have also done much toward furthering the interests of the organization.

The activities of the club include round-table discussions, handicraft, service work, health habits, devotional services, spreads, and programs with well-known speakers interested in Girl Reserve Clubs. Our meetings are held at the Y.W.C.A.

One of the outstanding events of the year was the Girl Reserve Vespers held December 8, 1935, at the Central Christian Church. Another activity was a Christmas Party for a girls' club at the South Side Mission, December 27, 1935. On March 20, 1936, the High School Girl Reserve Stunt Show was held at the Y.W.C.A.

The club's slogan and purpose is: "To face life squarely and to find and give the best." This has served as an inspiration to all of the Tri-S Girls during 1935 and 1936 and has helped to create a better attitude toward life.

I BELIEVE in God; I believe in my home; I believe in my country; I believe in my school; I believe in my schoolmates; I shall not do knowingly that which is annoying to my schoolmates; I shall endeavor to be courteous; I shall refrain from words that defile or defame; I shall refrain from bad habits that may ruin the mental or physical; I shall help spread the gospel of good cheer; I shall, to the best of my ability, be a good citizen of my school; I shall not permit myself to do those things which are not becoming to a Hi-Y member nor those things which might bring this club into disrepute; I shall look upon school as my opportunity for gaining knowledge and developing my character; I shall remember that healthy souls must be clothed in healthy bodies; I shall look on a teacher as a friend and not as an enemy; I believe in the joy of living; I shall, in all things, be true.—THE SENIOR Hi-Y CREED.

The Senior Hi-Y is one of the outstanding clubs of Peoria High School. Other organizations are started for intellectual or social reasons while the Hi-Y club claims one other reason as well as both those mentioned: This club primarily defends its aim toward better morals.

The most outstanding accomplishment of the clubs this year was the fact that they made it financially possible to send two members of the club to the Older Boys' Conference held last year at Rock Island, Illinois.

Each club owes its own successful results to Mr. Lange and Mr. Clifford, the sponsors of the clubs.

Science Club

President, Mary Ringness; Vice-President, Robert G. Smith; Secretary, Helen L. Miller; Treasurer, Kline Richardson; Laboratory Prefect, Mary Jean Olsen; Sergeant-at-Arms, Robert Erzinger

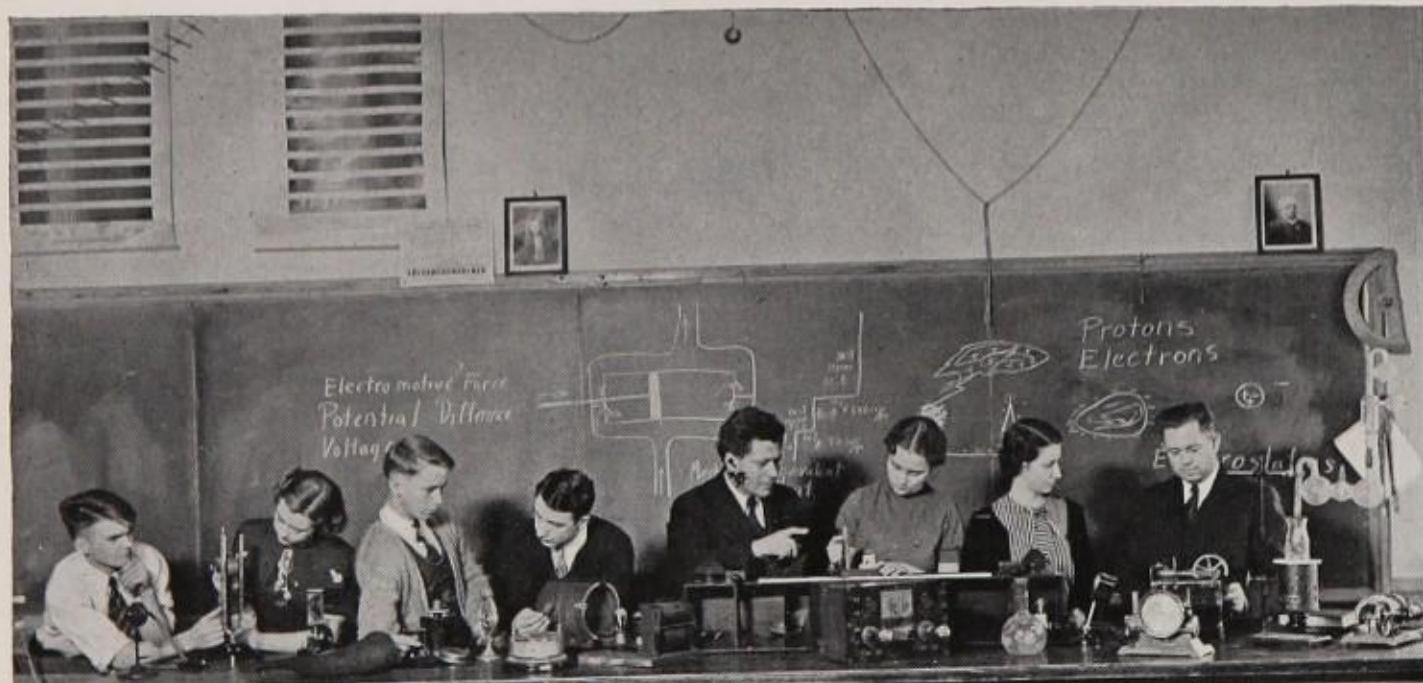

THE Science Club has had a very active and successful year. There has been very good attendance at the meetings and on the trips.

Several worth-while trips were taken this year. One of these was through the Keystone Steel and Wire Company and another was through the Caterpillar Tractor Company. Some field trips were also taken. Through the work and cooperation of the student members and the sponsors much interesting information which time does not allow to be taught in the classrooms has been presented.

The programs have included many demonstrations and reports in the various fields of science. Demonstrations by Mr. Epstein included: Centrifugal force, Bodies falling in a vacuum, Prince Rupert drops, Alpha rays, Cathode rays, Polarization of Light, Piezo electric effect, Thermo electric effect, and Fluorescence.

Topics presented at the meetings were:

Positrons	Kline Richardson	Bird Sanctuary	Mr. J. B. Sommer
Early Days of Chemistry	Kathleen DeTrempe	Conservation of Birds	Buford Brem
Chemistry and War	Harold Johnson	Submarine Canyons	Robert G. Smith

Visual Aids

President, Charles Urban; Vice-President, Leonard Romann;
Secretary-Treasurer, David Steinbach

WHAT is the outstanding feature of the CREST any year? The answer is *Pictures*. The Visual Aids Club believes with one who wrote more than two hundred years ago that "A learner cannot learn through words alone"; and they realize with another of the sages that "the eye is the most retentive of all the sense organs." Take out *Pictures* and much of the pleasure of life disappears. These are a few of the reasons for the Visual Aids Club.

Club members this year have operated the 16 MM projector showing educational films in the classrooms of twenty-six teachers. Various members work during all periods of the day. Films come primarily from the University of Illinois Visual Aids Service. Next year our high school will deposit another film with the University for this service.

Recently the club affiliated with International Educational Pictures, Inc., for Motion Pictures of the World and its People. Through it, films are available for classroom use concerning all countries in art, biography, entertainment, history, industry, nature, science, sports and transportation.

A future plan of the club is, as soon as \$125 more are available, to purchase a high powered film projector and a dalite screen.

Projection Crew

THE projection crew, under Mr. Epstein's capable guidance, is certainly one of the most interesting of all activities. Members daily serve the school, operating its public address system including the microphone and the playing of records before and after assemblies. They also assist in showing school movies; they operate the spot light for certain assemblies, plays, and other school functions such as "Amateur Night" and "Senior Hop". Being on the crew affords a good opportunity for learning the operation of motion-picture projectors and sound amplifiers.

Several sound movies were shown this year during the social hours to secure funds for the purchase of a new sound motion-picture projector. Although the final goal has not yet been reached, advancement made has meant a successful year for the crew. A sound-movie (with a rented machine) has become a regular and popular feature of the monthly social hours.

Stage Crew

MEMBERSHIP on the Stage Crew entails great and sincere service to our school. The duties of this group are those of painting and shifting scenery, taking care of the stage and dressing rooms, serving in the regular fifteen minute assemblies, and at all plays presented on our stage. A stage electrician is appointed whose duty it is to arrange lighting effects.

Few people realize the amount of time or labor the boys contribute. Their work is done after school. Many times it is necessary for them to be called from study halls to set the stage for an assembly program; thus they sacrifice the time needed for preparation of their lessons and must get them outside. Much credit for good stage productions must go to the hard-working stage crew. The boys themselves gain a very valuable experience from their work.

Quill and Scroll

QUILL and Scroll, international society of high school journalists, has an active chapter at Peoria High School. Membership is the result of a student's having done outstanding work on a school publication while holding a scholastic position in the upper one-third of his class.

Each year the Peoria Henry M. Pindell chapter of Quill and Scroll holds a formal initiation in the assemblies and an informal banquet. This year's festivities are to be held in the new building.

This year the official magazine, Quill and Scroll, carried an article written by Bud Briggs, OPINION editor, concerning the recently-acquired new home for journalistic work in Peoria High School. Pictures of the new building accompanied the story.

National headquarters of Quill and Scroll are at Northwestern University, where the national secretary criticizes the best writing of each applicant before he is taken into the organization.

Dramatic Honor Society

TEN years ago Dramatic Honor Society was organized, originally for the purpose of giving distinction to those who had done excellent work in Jusendra productions; now, however, it honors any person who has shown outstanding ability in any dramatic production given in P. H. S. Members are selected by a committee of three faculty members, one of whom, Miss Elizabeth Fieselman, is the society's sponsor.

To be elected to Dramatic Honor Society is one of the highest honors that can come to a student and those who have been selected have worked diligently to be worthy of the honor.

Crest Staff

ANOTHER CREST is completed! In their efforts to attain perfection the members of the Staff have spent many enjoyable hours in Room 214, their "headquarters." At the beginning of the year, when we were unaware of the work that was before us, we would saunter in and spend a half hour or so and then go leisurely on our way. But we were quickly broken of that habit. Pictures to be taken; work to the engraver; deadlines for our sections. All these important details are habit breakers. All of us are now used to long hours of work.

But the CREST Staff's activities have not been work alone this year. There have been numerous merry get-togethers. Some of them were the treasure-hunt held at the home of the editor-in-chief, Ellen June Thompson; the St. Patrick's Party given by Mrs. Hale, our sponsor; and our Spring picnic.

One of the biggest events of the year was the CREST campaign. It started off literally with a bang. A gun was fired in the rear corridor of the school. Everyone was kept in suspense as to what the explosion was for until the CREST Assembly soon after. The Assembly was a huge success this year largely through the efforts of Mr. Epstein who wrote and directed all the skits and songs, and gave a great deal of his valuable time to us. Frank Reichelderfer and Moreland Wooleyhan are two "regular fellows" who gave us their services also in their clever "Gallagher and Shean" take-off. Miss Alice Cary, the school accompanist, kindly played for our songs both for rehearsals and for the assemblies.

Last November 21 and 22 the editor-in-chief and business manager attended the annual convention of the Illinois State High School Press Association held at Champaign. At the convention the CREST was honored by receiving the vice-presidency of the Association.

This year for the first time, the CREST sent a delegation to the National Scholastic Press Association held in Milwaukee, December 5, 6, and 7. All who went gained information and inspiration and had a grand time.

To our sponsors, always ready to help us, go in every way, endless thanks: Mr. Murphy, business advisor; Miss Mahoney, art advisor; and Mrs. Hale, literary advisor.

IN THE SPRING A YOUNG MAN'S FANCY LIGHTLY TURNS TO . . .

Coaches

WITH the completion of twenty years of service as athletic director at Peoria Central, Coach Salen Herke can be justly proud of having consistently turned out teams which have established Central's reputation as a leader in athletics throughout the state. This year's teams were no exceptions and they further established "Doc's" reputation as one of the leading prep school coaches of Illinois.

This year Central's coaching staff was augmented by the addition of Mr. Noppenberger, assistant football coach, and Mr. Bockwitz, coach of the golf team. The staff is now composed of seven men, each a specialist in his own line, and each has turned out a fine team to show for the year's work.

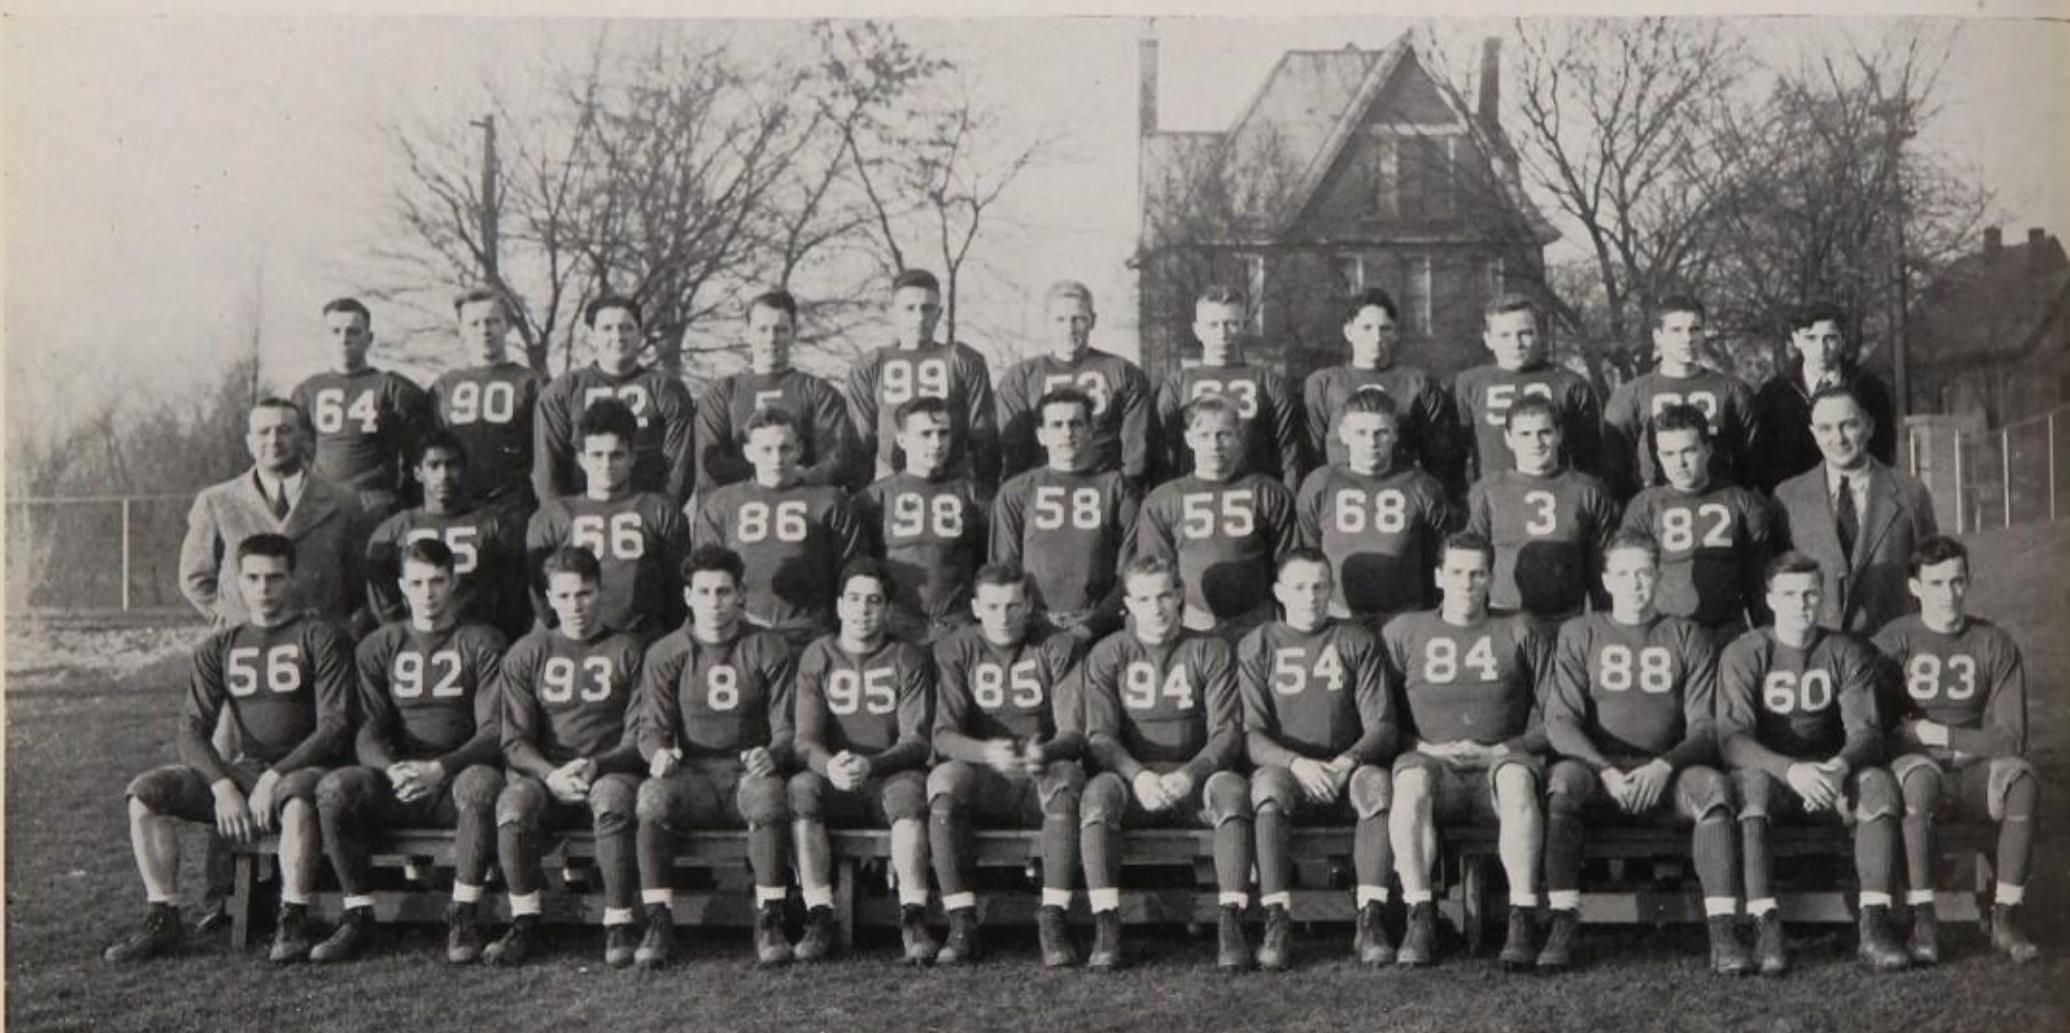

Standing: Mr. Bockwitz, Mr. Klingel, Mr. English, Mr. Myers.
Seated: Mr. Trimble, Mr. Herke, Mr. Noppenberger

Mr. Trimble, baseball coach, produced a third place baseball team in the Big 12 as well as a Big 12 championship team in reserve basketball and a very successful reserve football team. Mr. Noppenberger, former athletic director at Spalding Institute, assists "Doc" Herke in coaching the football team. He worked mainly with the line and built up a very efficient forward wall. Mr. Klingel's job is turning out winning swimming teams; this he does very consistently. His swimming team this year won the Big 12 championship for the third year in a row and placed high in the state meet. Winning track teams are becoming a tradition at Central and Mr. English is the man responsible for them. The team again won the Peoria Armory Meet and the Greater Peoria Meet along with other victories. Not enough praise can be given Mr. Meyers for the sensational showing of his tennis team which didn't lose a match all season and placed several men high in the state meet. Mr. Bockwitz, a newcomer to the coaching staff, turned out a fine golf team in his debut. With eight victories and two defeats they made a very impressive showing.

KINGMAN furnished the opposition in the season's opener. Central, while not appearing overly impressive, played straight football to come away on the long end of a 19 to 0 count. * * * Next game Kewanee came to town to engage the Hunters in one of the season's thrillers. Though the Boilermakers vanquished the locals 13 to 12, the game was well-played for an early season engagement and was a great crowd-pleaser. Hamilton, rated as one of the best tackles in the Big 12, revived Central's hopes for a while in the final quarter when he blocked a Kewanee punt, picked it up, and raced 50 yards to score. * * * After losing a tough one to Kewanee, Central made a great comeback to avenge last year's defeat at Streator. They thoroughly outplayed the Bulldogs to win 19 to 0. * * * Following the Streator victory came the 12 to 0 victory over the Roosevelt Military Institute of Aledo. * * * Central's second defeat

TUNTAS GETS OFF A LONG ONE IN THE MANUAL GAME

of the season came at the hands of the powerful Mattoon team. Central scored first after a 50-yard march goalward but were vanquished by Mattoon 21 to 6. * * * Seemingly not over the effects of their defeat by Mattoon, the Hunters lost the next game to Springfield, 26 to 12. Central had hopes of victory over their Big 12 rivals when they marched 70 yards for a touchdown on the opening kickoff, but Springfield's passing attack couldn't be beat. * * * The following week the Maroons resumed their winning ways and trounced DePue 12 to 0. One of the noticeable features of the game was Central's improved pass defense, the lack of which was in a large way responsible for their previous defeats. * * * Nearing the end of the season, the Hunters were rapidly reaching their peak. In the Spalding game, although Spalding scored first on an intercepted lateral, there was never much doubt as to the outcome. Central steadily outcharged the Purple and won easily 27 to 7. In this game Spalding was held to a net gain of —5 yards. * * * With their attack still going strong the Maroons traveled to Pekin for the most exciting game played there for several years. It was a nip and tuck affair up to the final minutes of the game; then with four minutes to play co-captain Johnny Tuntas ran 65 yards for a touchdown, and two plays later, Dick Dailey, Central's speed merchant, scored on a 55-yard sprint.—Final score was 19 to 13. * * * Following their inspired victory over Pekin, they engaged their ancient Big 12 and inter-city rivals, Manual, on Thanksgiving morning. In this game Johnny Tuntas again brought the crowd to its feet with a great 80-yard sprint to the goal assisted by some of the best blocking of the year. This was Central's first victory over Manual in four years and one of the hardest fought battles ever held between the two schools. This victory ended the season for another great Central football team.

HUNTERS STOP SPALDING AT LINE OF SCRIMMAGE

SWEENEY OFF ON A JAUNT AROUND ALEDO'S LEFT END

DEANE RICHARDSON—When Central needed those last few yards it was Richardson off-tackle. Deane was co-captain and quarterback of this year's team and inspired his team mates by his fight, both on defense and offense.

BOB BECHTEL—Pass receiver deluxe and a demon on defense. Bob is a typical example of the fight Central exhibited throughout the season. He will be lost by graduation.

BOB PINCUS—Although his first year on the squad he played like a veteran. As a guard he seldom met his superior and turned in many fine games.

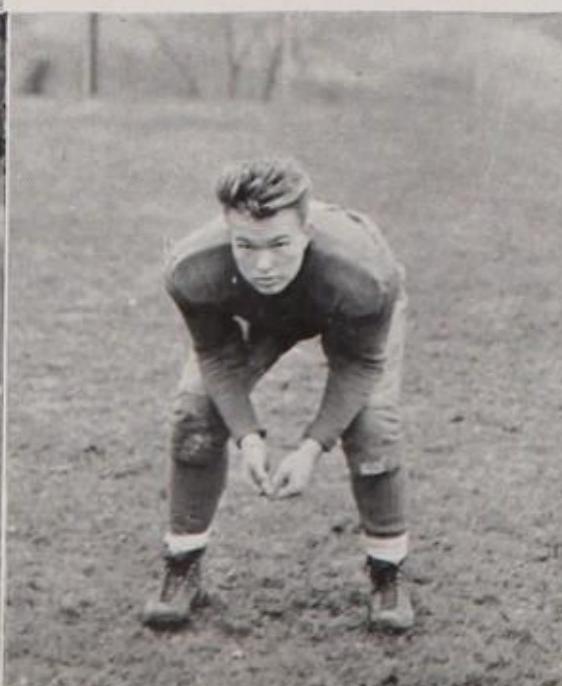

SAM PENDOLA—Sam also played guard. He played his hardest and was seldom out-charged by an opponent. He will be back next year to furnish more of his rugged opposition for Central's opponents.

DICK DAILEY—A speedy little halfback. He excelled in broken field running and had several long runs to his credit, including his 55-yard touchdown sprint in the Pekin game.

LOGAN EUBANKS—Logan alternated with Bouton at the center post. He put his best into the game, and always displayed quick thinking on the field. He is a senior and his graduation leaves a big gap in the center of the line.

JACK DIGMAN—Jack was another of our hard-playing guards who always played his position well. He developed greatly during the season and was constantly applauded because of his hard and clean playing.

TUNTAS MAKES NINE AGAINST KEWANEE

JOHN TUNTAS—Our co-captain will long be remembered for his line-smashing and his sensational open-field running. Slippery hipped and possessed of tremendous drive in his long legs, he would have been a standout with any team. In his football career at Central he established a wonderful reputation for himself as a great fullback and leader.

HERB RAPP—Herb is a very versatile player. He switched from guard to end this year, and was very successful in his new position. He played his best when the going was hardest.

WALTER SPANINGER—Though only a sophomore, Walt is hailed as the greatest find in years. He was paired with Hamilton at tackle and gave the opposition plenty to worry about.

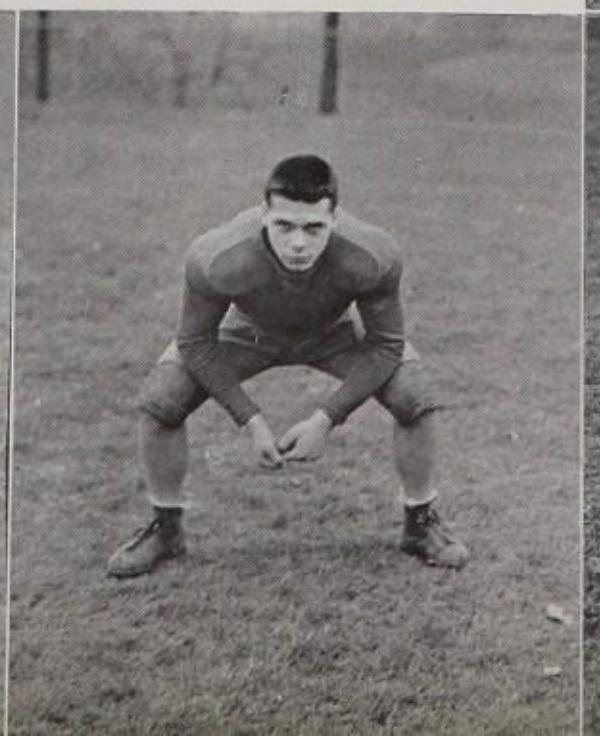

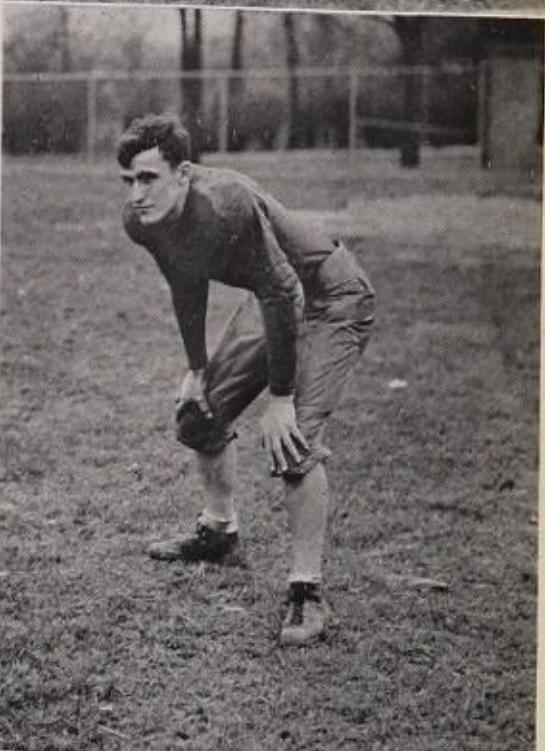

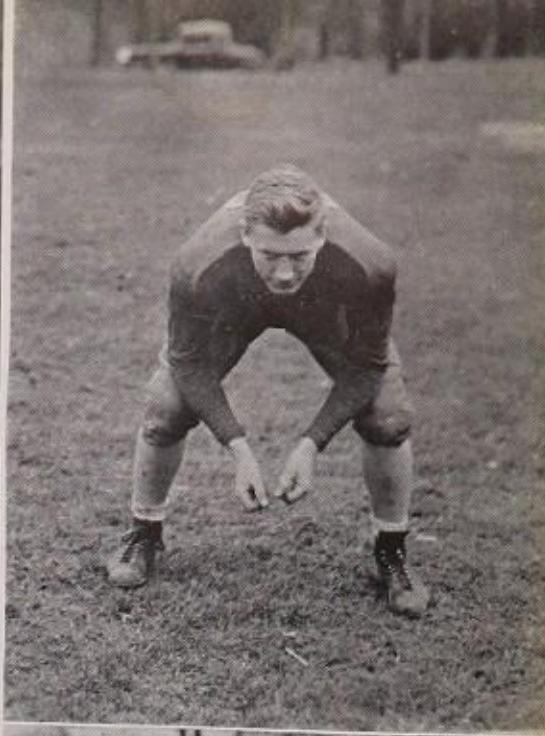

BENTLEY HAMILTON—Bentley, 195-pound tackle, opened gaping holes on the offense and smeared any would-be ground-gainer on the defense. His ability was recognized throughout the state.

PHIL FARMER—As a plunging halfback, Phil was all that could be asked for. It was seldom that one man alone could bring him down. He was very strong on defense, being one of the hardest tacklers on the team.

FARNUM BOUTON—This was Barney's fourth season as a Central player. Few players achieve this record and fewer still ever measure up to the high standard of playing he displayed during the four year campaign.

DICK RICHARDS—He is a very capable and dependable halfback. This was Dick's first year as a backfield man, having played end the previous year, but he justified the change by his consistent ground gaining throughout the season.

Cheerleaders

THE cheerleading squad was a great stimulus to the teams by keeping the spirit of the school high. Bill Hart, head cheerleader, has been on the group for four years and received his letter for this service. His graduation this year takes him out of this service. The only other member to graduate is "Chuck" Hausam, a newcomer to the squad who proved quite valuable.

The cheerleaders' most noble contribution to the school was the pep assembly before the Central-Canton sectional game. This was the largest pep meeting ever held at the school. Congratulations to the cheerleaders for the valuable service rendered the school.

Managers

BILL Conway's group of managers have the responsibility of taking care of Central's athletic equipment. They receive little recognition for the multitude of tasks they perform. Jack Scheel, the senior manager, handled the equipment at the out-of-town games. Scheel was the only member of the squad who will not be back to help Conway next year. Jack received his letter for his outstanding service to the school.

Others besides Scheel who were of great aid to the school were Rodman Thompson, not in picture, who acted as manager of the swimming team; Don Case was the assistant basketball manager, John Titus was football manager, and Bill Feuchter was baseball manager.

BOB Leu and Deane Richardson were elected co-captains of this year's basketball team which won fourteen out of nineteen games during the regular season. They won the regional tournament at Princeville, won third place in the sectional tournament of which they were hosts at the Peoria Armory, and won the Bloomington Invitational tournament during the Christmas holidays. They piled up one hundred sixty-five points in the four games of the Bloomington tournament. In this tournament Jack Christian averaged twenty points a game.

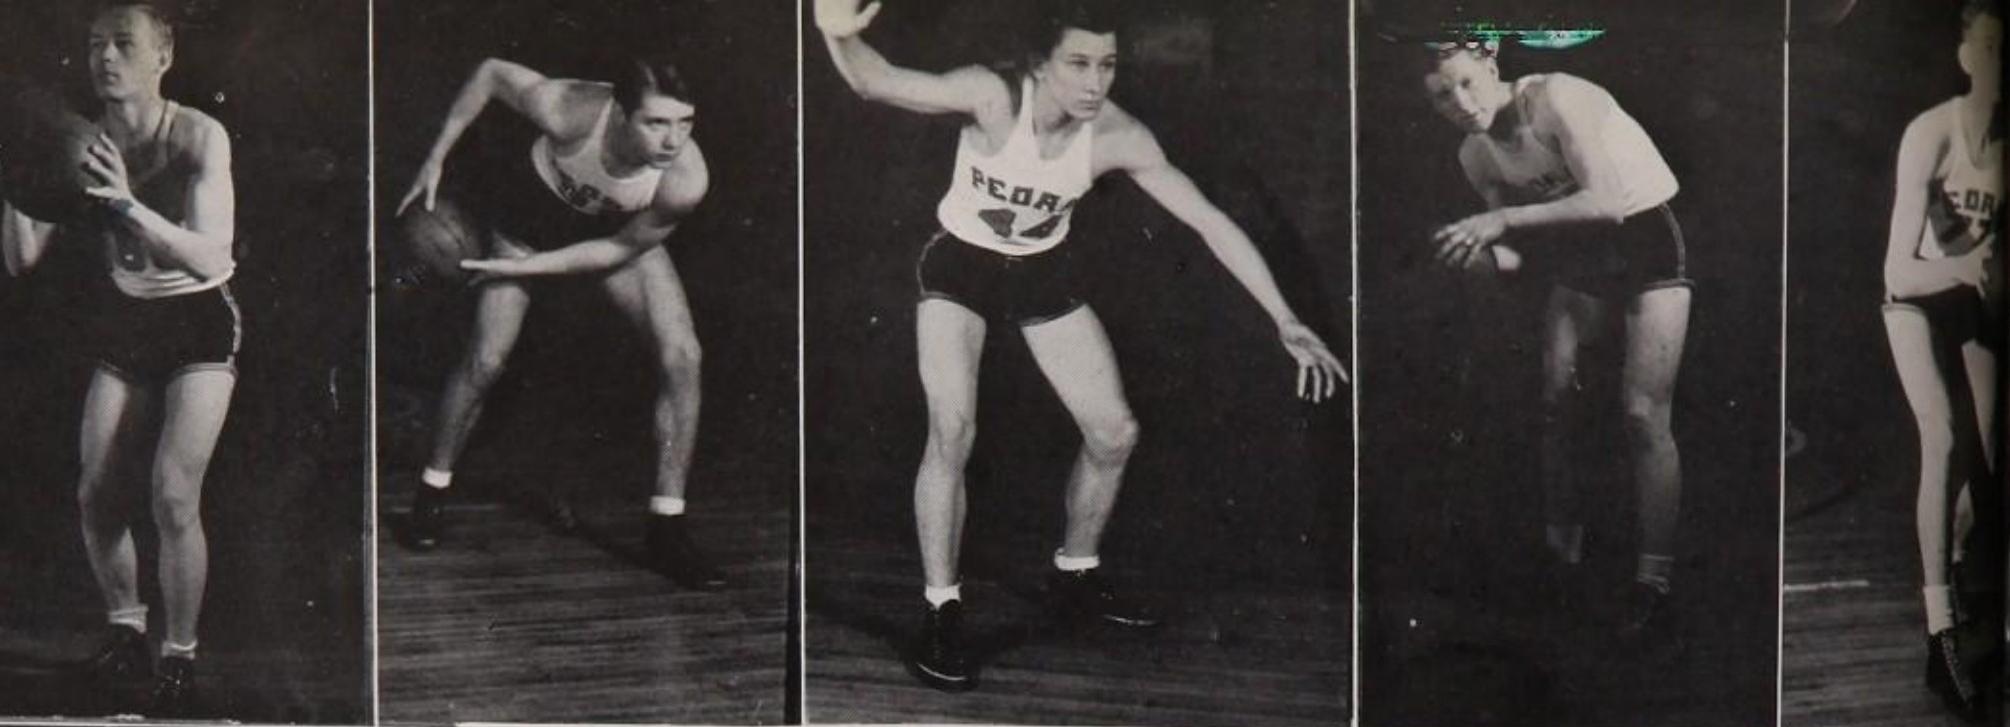

This year Central beat Manual for the first time in six years. They won the first game 25 to 24. The Hunters led most of the game but had to beat off a frenzied Manual rally in the closing minutes of the game to win. The second game they won more decisively by a score of 37 to 32. In this game Co-captain Bob Leu scored 18 points.

Considered one of the fastest teams in the state, they showed a great amount of class all season. Up to the semi-finals of the sectional, when they were defeated in a 30 to 28 overtime by Canton, they were a strong favorite for the state championship.

They won the third place position in the sectional by defeating Macomb in a brilliant exhibition of passing and shooting. They scored at will and averaged two points a minute, the results being: Central 62, Macomb 18.

Standing: Steidinger, Sutton, Groetzinger, Huber, Wasson, Powers.
Kneeling: Shelton, Leu, Wilmot, Spaninger, Richardson, Christian, Coach Herke.

READING FROM UPPER RIGHT TO LOWER LEFT

JACK CHRISTIAN—A flashy ball-handler who was paired with Leu at forward. He was one of the best shots on the team and is considered by many as an all-time Central forward.

JOHN TUNTAS—Central's rugged guard who carried his fight with him from the gridiron. A great defensive player, he kept the team fighting every minute of the game.

RALPH WILMOT—Ralph played guard and turned in some fine games as a substitute for Tuntas later in the season. He filled the position very capably and displayed the same fight Tuntas had displayed.

ART SHELTON—As varsity center he consistently controlled the tip-off. His flashy ball-handling made him a favorite with the fans and he could always be counted on for his share of points.

BOB LEU—Bob was co-captain and was considered the best forward in the conference. His scoring twenty-eight points in one game in the sectional is an example of his deadly shooting. Without a doubt he will long be remembered as one of the greatest forwards Central has ever had.

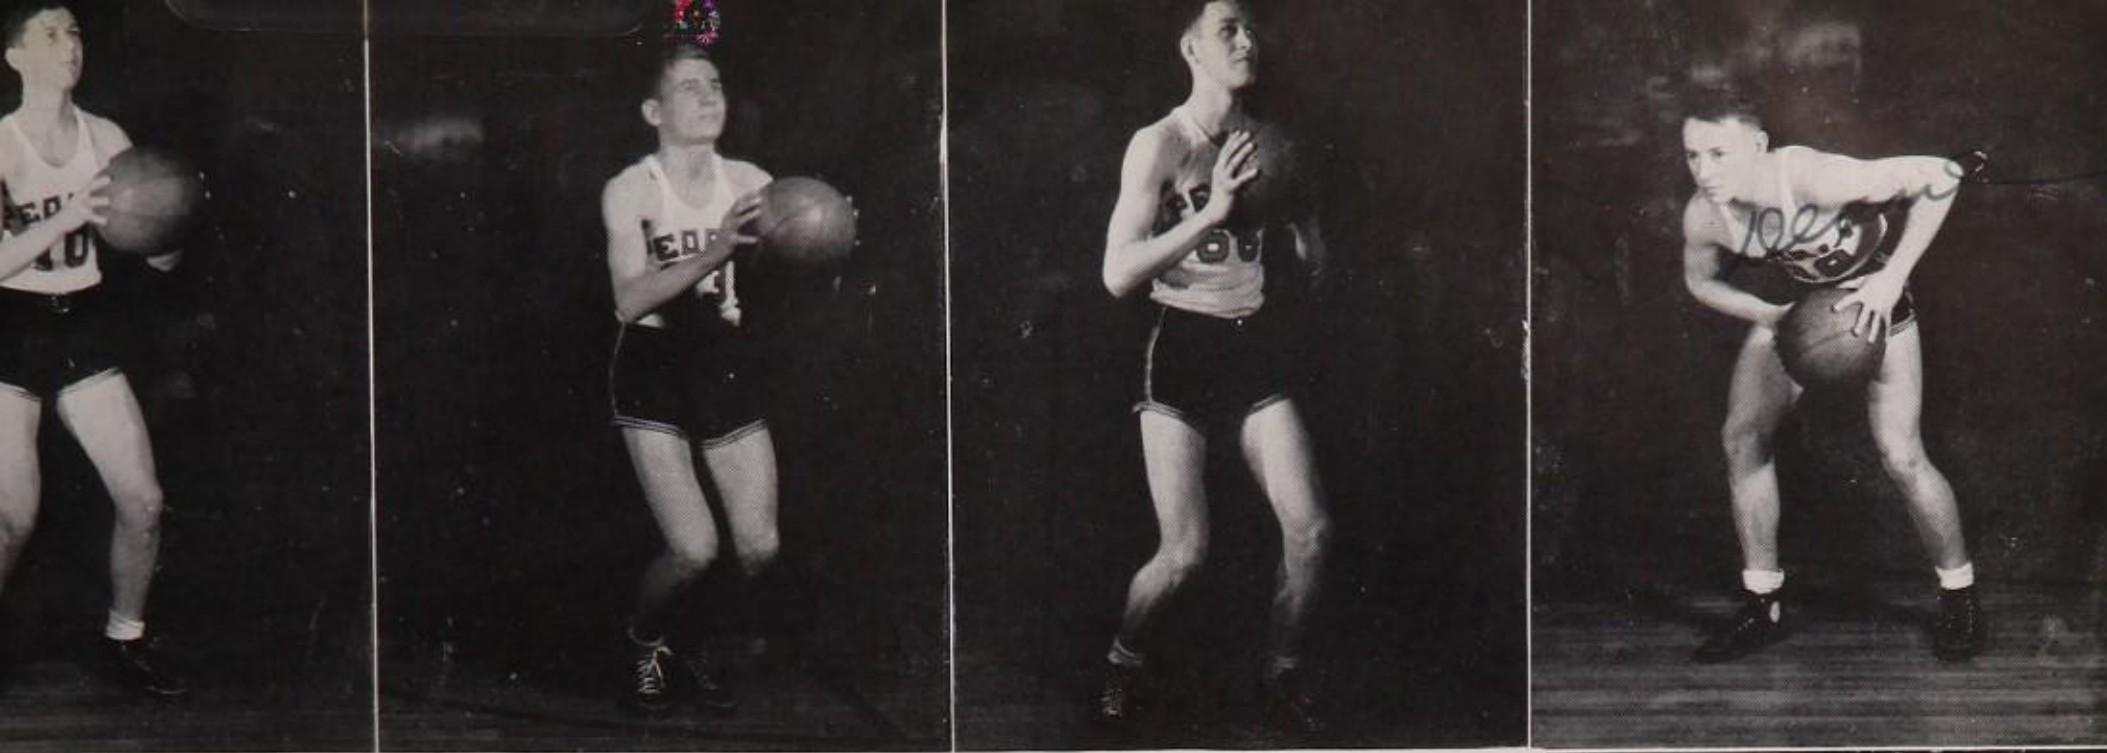

WALT SPANINGER—A rugged sophomore guard who came up from the reserves. He played a very cool and consistent game and proved to be a great steady influence on the team.

JESSE STEIDINGER—Jesse was one of the outstanding sophomore forwards. Late in the season he advanced to the varsity because of his flashy work on the sophomore team.

HAROLD JOHNSON—Harold was another member of the sophomore team who advanced to the varsity because of his speedy work. He is a promising prospect for next year's team.

READING FROM UPPER LEFT TO LOWER RIGHT

TED POWERS—Ted was remarkably fast on his feet and it was his speed that enabled him to be a constant threat on both offense and defense. He turned in several good games during the season.

BOB GROETZINGER—Bob is an accurate-shooting sophomore who saw a great deal of service at forward. He got his share of points this year and we expect great things from him next year.

WILL HUBER—An experienced player who, during the course of the season played guard, center, and forward. However he excelled at center where he alternated with Shelton. His height made him a real asset to the team and a menace to the opposition.

DEANE RICHARDSON—Central's stellar guard who received honorable mention on the all-state team. A great leader, he was co-captain with Leu. He was known throughout the conference for his ability to take the ball away from his opponent, as well as making more than his share of points.

IRVINE WASSON—Irv developed greatly this year and played in quite a few games near the end of the season. A steady player, he could be depended on at times when every point counted.

ROGER SUTTON—Rog played forward this year and, although he didn't see a great deal of service, he is considered a good prospect for next year's team. In the few games he played he displayed a large amount of natural ability.

PERRY GOLLY—Perry is a guard and, like Sutton, didn't play in a great many games this year. However he has proved to be steady and dependable and should be a regular next year.

Reserve Basketball

CENTRAL'S reserve team concluded a successful season by winning ten consecutive games. The team's record against reserve and sophomore teams includes eleven victories and only three setbacks. The team won the championship of the Big 12 reserve teams.

Beginning the season, Trimble's team lost a 25 to 23 overtime tilt to the Galesburg ponies. The team staged an uphill fight but lost a disappointing game. The game against Canton was a different story with Central coming out on top. Central then lost to Streator and to Manual before starting the winning streak. The successes numbered victories over such strong teams as Pekin, Manual, Farmington, Streator, Springfield, and Roosevelt Junior High.

Three of the members advanced to the regular team during the latter part of the season. Those who played on the varsity were Steidinger, Johnson, and Spaninger.

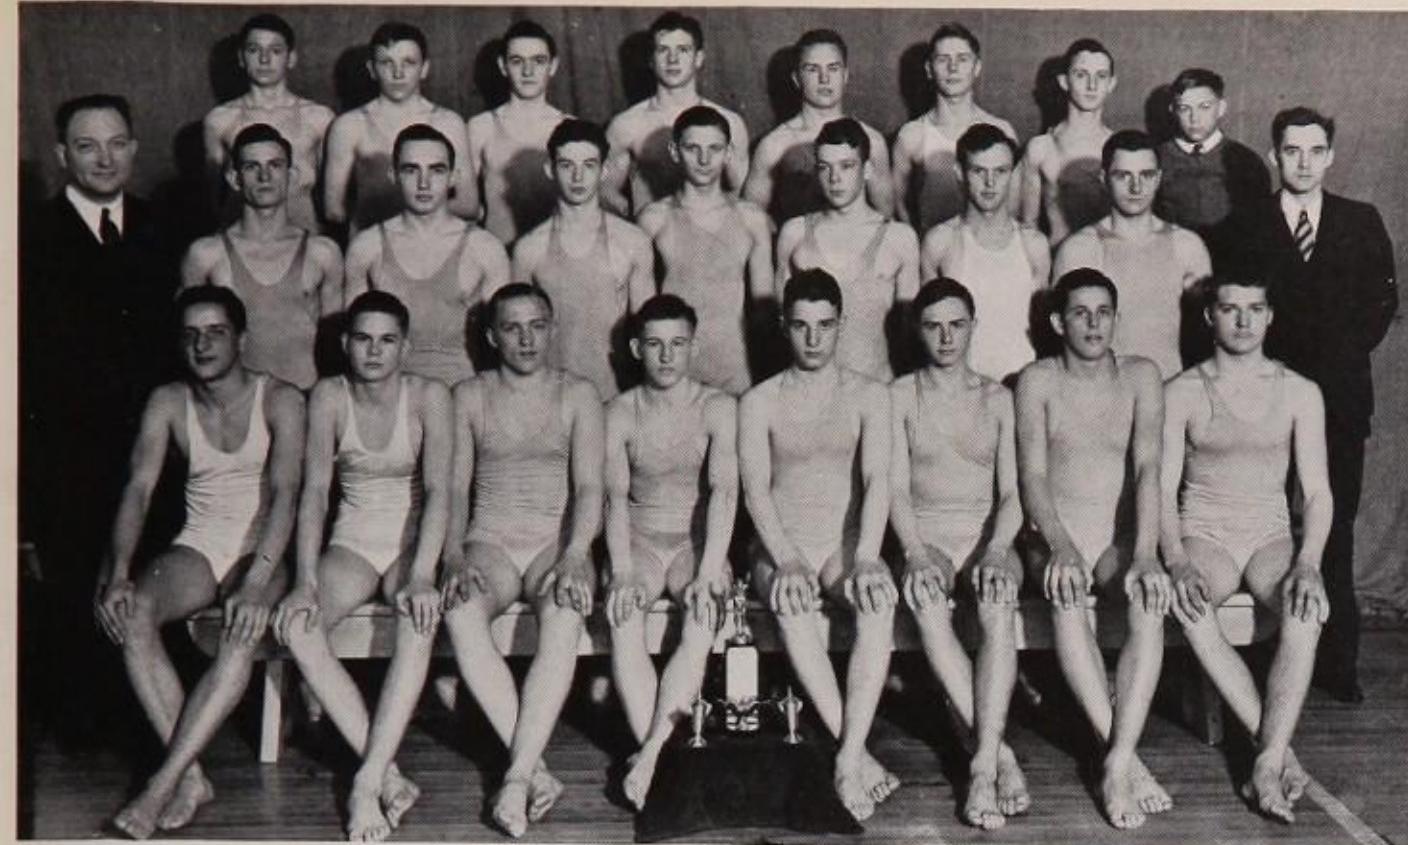

The members of the team were Johnson and Steidinger, speedy forwards, Spaninger and Williams steady guards, and Briggs, a lanky center. Those reinforcing the squad were Lee, Washington, Schoon, and Downing.

Swimming Team

AGAIN Central's swimming team came through with an enviable record. The team won the Big 12 championship for the third year in succession. Coach Klingel's team lost the first meet of the season to a strong Rockford High aggregation, but splashed through the remaining meets in a noteworthy fashion.

Central decisively won the Big 12 meet, which was held in the Peoria Y. M. C. A. pool. The final standings were Central 60, Danville 18, Champaign 10, Bloomington 7, and Urbana 0. Every Big 12 swimming record is now held by Central. The records broken in this year's meet were: 100 yard backstroke by Captain Gardner in 1:07.7; 160 yard relay by Szold, Putnam, Jordan, and Anderson in 1:21.2; and the 120 yard medley relay by Gardner, Heidrich, and Anderson 1:08.5.

In the State High School meet Central finished seventh with 3 points. Anderson placed fourth in the 200 yard free style, and the medley team of Gardner, Heidrich, and Anderson placed fourth in that event.

Letters were given to Gardner, Vance, Szold, Anderson, Heidrich, Curtis, Atz, Holtke, Cooper, Hippe, Putnam, Dusenbury, Jordan. Charlet, Bradley, Thieman, Weisser, Favorite, Burhans, Plack, Dorothy, and Barnett received numerals.

Track

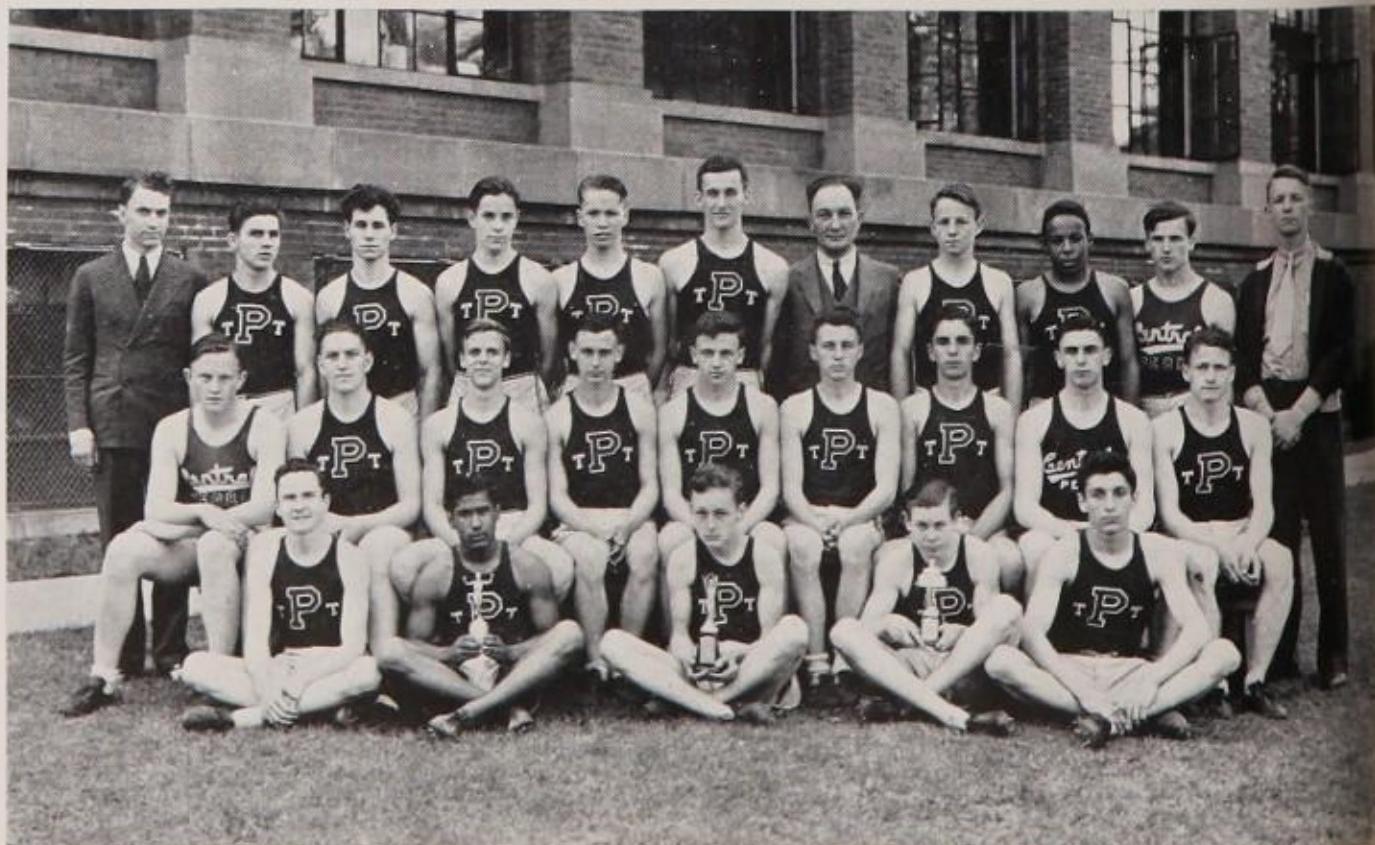

LED by Captain Bob Ashley, sensational dash man, the Maroon and Black track team had another successful season. For the third year in a row the team won the Peoria Armory meet. They also won the Greater Peoria meet, placed third in the Big 12, and held prominent places in the seven other meets in which they participated.

During the season Captain Ashley broke two all-time school records. He ran the 100 yard dash in :10 in a dual meet with Pekin. He ran the 220 in :22 and :22.5; the first was on a straight track in the State meet at the University of Illinois and the second was on a curved track at the Greater Peoria Meet.

The team will miss the presence of the four graduated men, Captain Bob Ashley, Batchelder, Knight, and Seiler. However, it is fortunate in having so many veterans returning. The men who will return are Kempster, Rapp, Richardson, Berton Ashley, Lulay, Peterson, Thompson, Pendola, Gillott, Key, Defenbaugh, Hahn, Hartzell, Gibbons, Lakin.

Baseball

THE baseball team, under the tutelage of Coach Claude Trimble, won eleven games and lost three. The team started the season with four victories, then lost a tough 9 to 7 game to Manual. The next defeat after five consecutive wins came at the hands of Bloomington, a Big 12 foe. Manual decisively defeated the Maroon team in the last game by the score of 11 to 2. Central's Big 12 victories were from Bloomington, Pekin, twice; and Champaign once.

The Hunters captured third place in the conference standings. They would have captured first if they had defeated the Orange and Black team of Manual.

The team's battery work was done mainly by Bartelson and Schunk, pitchers, and Bouton, catcher. Art Shelton was the team's leading hitter with Tom Hensley second in line.

This year's lettermen were: Co-Captain Tom Hensley, Co-Captain Barney Bouton, Johnny Tuntas, Bob Leu, Les Lyttleton, Lawrence Schwenger, Art Shelton, Hubert Davis, Joe Batchelder, Carl Schunk, Horatio Bartelson, Wayne Thompson, and Clarence Farrar. Numerals were awarded to Ernest Geick, Ovilee Williams, Earl Younglove, and Howard Rittenhouse.

Tennis

COACH Myer's Tennis Team was very successful during their 1935 season. The team did not lose a dual meet all season. Two of the outstanding accomplishments were the winning of the city title and tying for the Big Twelve Dual Meet championship.

Some of the individual accomplishments of the team were: Winning of the district doubles championship by Bill Pinkney and Dick Cody; also, Pinkney and Cody were semi-finalists in the state tournament; co-captain Jim Render was runner-up in the district singles, was quarter-finalist in the state, and was runner-up in the Big Twelve tournament.

The letter awards were given to Cody, Denton, East, Pinkney, Render, Sobers, and Spencer. Richards and Way received numerals.

Those forming a nucleus for the 1936 team are Cody, East, Richards, Way, and Pray, winner of the 1935 intra-mural tournament.

The First Annual intra-mural tournament was held under the direction of Coach Myers. The tournament had 64 entries and required a month and a half to complete. A trophy was given to the winner, Vernon Pray.

Golf

EIGHT victories, one tie, and two defeats show how successful the Golf Team was this season. Encountering stiff competition throughout the schedule, they won eight matches very decisively. As a result they won the City title and finished third in the Big Twelve Meet. In this meet Captain Chuck Farnum tied for second place. This is deserving of much recognition because of the high grade of competition which is encountered in any Big Twelve Meet.

Their record includes victories over Kingman three times, Spalding twice, Manual, Urbana, and Pekin. Defeats were suffered at the hands of Bloomington and Manual, and a tie was played with Manual.

Four men, Captain Farnum, Hall, Modjeska, and Yates saw active service during the season and were awarded letters. Members of the squad who did not see active service were Morrison, Chessman, Gaumer, Keithley, and Kellstedt.

G. A. A.

THE Girls' Athletic Association was founded in 1916 and has grown to a membership of over one hundred. For two years the association has been a member of the State Athletic Association. This fact has made the local membership more inviting to the girls. Besides stimulating interest in sports, the Athletic Association aims to standardize and promote ideas of health and sportsmanship. This is done through organized activities, hikes, and social events. By belonging to the Illinois League High School Athletic Association many lasting friendships are formed with girls from other cities.

The association as a whole is based on an adapted point system, a certain number of points being awarded for each activity inside and outside of school. For winning six hundred points the girls are awarded a very attractive gold Girls' Athletic Association pin; for twelve hundred points a school letter is given. The state association presents two awards, one for sixteen hundred points and another for two thousand points.

The Letter girls act as an advisory group: along with the officers and faculty sponsor, they constitute the Advisory Board of the Girls' Athletic Association. The girls are very active and have shown good sportsmanship; they are good students and good athletes.

Besides the sports activities, the social activities are also a part of the G. A. A. program. This year G. A. A. gave a banquet for more than one hundred and fifty girls. The banquet was held in the school cafeteria. Mrs. Vera Kraft Noble, the state manager of G. A. A., was guest and speaker. Other activities of the Girls' Athletic Association include hikes, steak fries, and roller skating parties.

G. A. A.

THE Sponsor of G. A. A. at the beginning of the year was Miss Phyllis Long: she left P. H. S. on February 21 to be married. Miss Long will be remembered by G. A. A. for her loyalty, faithfulness and for skill in her work. She won the hearts of every girl who knew her and worked with her.

Miss Amy Wolff, the new girls' gym teacher who takes Miss Long's place, has entered with a will upon her duties as head of the Physical Education Department and has taken over enthusiastically the sponsorship of the G. A. A.

Tennis takes its place in the spring. The team is made up of four girls, two singles and a doubles team. Much recognition should be given the girls' tennis team for in the past three years they have won all their matches played with other schools. The following girls were members of the team this year: Evelyn Haller, Clarice Younglove, Lois Miller, and Betsy Hunter. G. A. A. sponsors a tennis tournament every year.

The succeeding seasons of the year bring basketball, volleyball, track, tennis, and ping pong tournaments which G. A. A. sponsors. Basketball and volley-ball are two of the most popular activities; over ninety-five girls took part this year in each activity. The tournament for volley-ball was held during the months of October, November, and December. The basketball tournament was held during January, February, and March. By dividing the girls into a number of teams this plan gives every girl a chance to play. A name is given to each team and a captain is also elected. The members of the winning team receive twenty-five points. Track is the last event of the year. This year the work in track started during the month of May.

G. A. A.

THE pyramids in the tumbling picture are formed by girls in the freshman gym classes. This year the girls gave a tumbling program during one of the fifteen-minute assemblies. They entertained the students with acrobatics and pyramid building, to the great delight of all.

Baseball proves to be as popular as any of the other sports; over one hundred girls take part in the tournament which is held each spring. The girls usually look forward to this sport as it is held out-of-doors. Many teams make up the tournament; a captain is appointed for each team. Also a manager is chosen to act as the umpire. The picture above represents an exciting moment in a game held in the girls' gym. Laura Henry is the umpire, Maxine Abel tags Peggy Fleming out at home plate, Frances Stutzman waits her turn at bat while Allyne O'Donnell, Marjorie Herrmann, and Ruth Horst look on.

The Physical Education Department, directed by the girls' gym teacher who is also the sponsor of G. A. A., offers an interesting and varied program to all girls who are required to take two years of physical education. The untiring efforts of our gym teacher and her own individual skill make her an inspiring and efficient director of physical education and an understanding G. A. A. sponsor.

Tumbling, apparatus work, soccer, dancing, group games, and posture work fill the year with new and interesting activity. Besides these, bowling and swimming classes are arranged for those interested. The girls' gym is one of the liveliest spots in P.H.S.

CALENDAR

September

Once again Mr. Brewer welcomes us back to P. H. S. He greets the new students in assembly . . . Well, it's just the beginning of another long, hard grind!

It wouldn't seem natural if we didn't hear Mr. Lange extolling the merits of the combination ticket in assembly.

Jusendra, the Junior-Senior dramatic club, holds tryouts for all members.

John Noppenberger and Al Klingel added to P.H.S. teachers staff; they will also coach in athletics.

In a special assembly we heard Dr. W. Harwood, trapper and explorer, talk about his adventures in Africa. We also had a chance to see some of his animals; especially, Sugar, a lioness!

Two hundred and eighteen books have been added to the school library according to Miss Fisher, librarian.

The "Crest" starts the year, beginning Senior class pictures.

Practice season in football has begun. We hear that great progress has been made with the team already.

Our new Journalism and Printing building is to be opened soon. If you haven't noticed it, take a good look next time you're out by the football field.

October

Our first "vac" is teachers' visiting day.

"Pomander Walk," a costume play of the 18th century, has been selected for the Senior class play. Tryouts have been held and a cast selected.

Charvice and Promerito, girls' and boys' honor societies, elect new officers.

Major J. Sawders was the speaker at our special assembly. His subject was the "Ancient Civilization of the Americans."

Major Sawders has explored Mexico, South America, and has seen the ruins of the ancient Mayans and Yucatans.

P.H.S. teachers hold open night at the Teachers' Club Rooms.

Jim Brown elected President of the Senior class in a Senior class meeting. Bob Vance and Jim Briggs elected "prexies" of the Junior and Sophomore classes.

CREST received All-American rating for the first time. (We'll have some job this year to beat that.)

Madrigal Singers broadcast over WMBD.

First social hour held this year a big success. We hope there will be lots more like it.

G. A. A. state banquet held in Peoria. Miss Vera K. Noble, state G. A. A. manager, was the speaker.

November

Football season going full tilt.

Our team is good this year; we should all go to the games and cheer them on.

Winners in Governor Horner's "Citizenship" essay contest are Laura Bornholdt and Don Wray.

Twenty-seven new members elected to Charvice, girls' honor society.

Superintendent E. C. Fisher speaks here at P-T A. meeting.

"Chuck" Vance, P. H. S. alumnus, gave his magician act in assembly. Our alumni go far in their accomplishments.

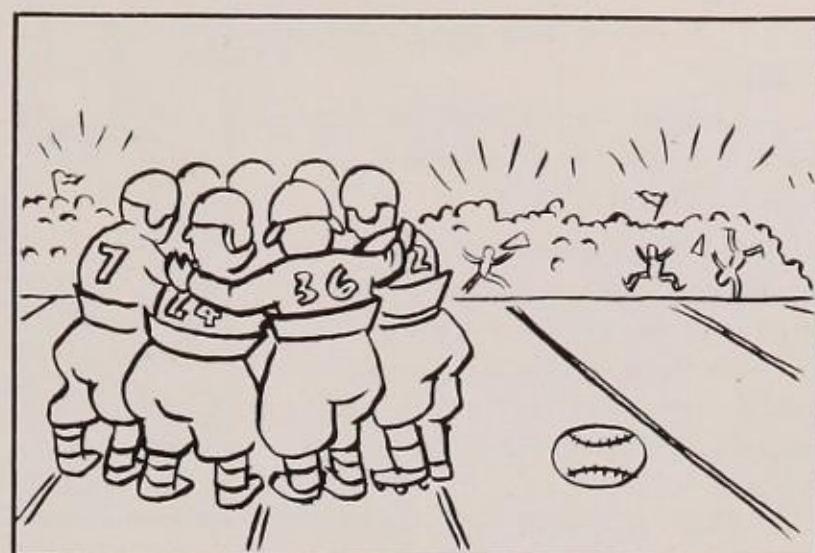

"Pomander Walk," Senior class play, certainly was a great success. We knew they would put it across.

Jusendra's "Amateur Nite" was a big attraction. Prizes were given to the winners; Lois Nelson and Eleanor Bickle, first prize; Shirley Van Dolah, second price; the Hill-Billy cast won third and Lucille McClintick, Mary J. Carey, singers, claimed fourth prize.

Virginia Egolf, junior, was appointed assistant editor of the CREST.

Seven to nothing—P.H.S. wins the annual "turkey" game from Manual.

Several members of CREST went to Champaign to attend the Illinois High School Press Association Convention. We (CREST) were elected vice-president of the association.

December

Some members of both the CREST and OPINION staffs attended the national convention of the National Scholastic Press Association in Milwaukee . . . (Miss Crowder, journalism teacher, was so excited, she forgot her suitcase!!!)

Bob Keller and Gene Smith, representing the Hi-Y Club, attended an annual meet in Rock Island.

The basketball season will open soon—and are we thrilled, 'cause from reports we hear we've got a team that will "go places"!

Sale of T. B. Christmas seals has started. Home rooms are collecting money for Christmas baskets.

The Madrigal Singers certainly are being kept busy this month at Vesper services, teacher's institute, other high schools and various Peoria clubs. They will carol for us in assembly soon.

Social Science Club has been busy publishing its magazine, "The Pathfinder".

A concert sponsored by P-T A., given to help raise money to pay for band uniforms, was successful. They received \$119.50.

Two winners in P.H.S. speech contest, Catherine Aaron and Bill Reinken, will appear before the National Association of the Teachers of Speech in Chicago.

A Christmas play, "The Last Shepherd", was given by Jusendra in assembly.

January

Back again at the old grind . . . Well, it was keen while it lasted!

Central wins 25-24 in basketball clash with Manual. It was a close shave.

Some one hundred and fifty of us belong to the Peoria Players organization and now comes our turn to have a play . . . so you'll probably see and hear Shakespeare in the halls for many a day.

The mid-semester seniors decided that they would like "regular" graduation exercises this year. We will see twenty-seven receive their diplomas.

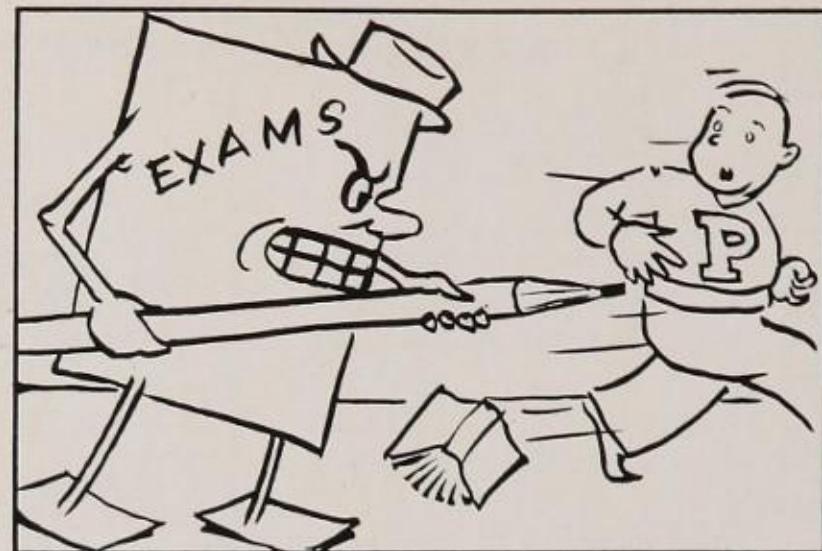

This is news! All of us that have B average will be exempt from finals! (We'll bet you wish you'd worked harder last month??)

Jessie Ray Taylor, impersonator, appeared in assembly. We all enjoyed the chance of seeing some of our favorite story-book characters come to life.

Such a "freeze-out" as we've had! We've seen nipped ears, toes, noses, and fingers lately . . . and the taxi service *isn't!* School out because of extreme cold from the 7th to the 17th!!!

Senior Hop held January 31st. And wasn't it a hit?? How did you like Harry Hill and his orchestra? *We did!!*

New faces everywhere as semester students enter———.

February

The CREST campaign started with a *bang*, and we mean that literally! Buy your CREST now and start the year out right.

Tryouts for the Jusendra evening production are being held. We wonder who the lucky people will be?

A dance we don't want to miss is the Inter-Council Valentine Dance (especially since Red Deams' orchestra plays).

P.H.S. a cappella choir sings at the Shrine Temple when Kagawa, world renowned Christian, lectured.

"Cat and the Canary" to be the Jusendra evening play; a fine cast has been selected, so we can all expect a good show.

Charvice, girls' honor society, elects new members to the organization.

Catherine Aaron, Elizabeth Johnson, Bob Darst, and Joe Hession, represent P.H.S. at city Safety meet. We hope that it will bring good results!

Just see that thermometer stay down below zero! —

March

Peoria Central to hold the Sectional Basketball tourney this year. And we all hope we will be the winners.

Catherine Aaron placed second in humor at the speech contest in Jacksonville. She won a seventy-five dollar scholarship to MacMurray College, Jacksonville. Clara Walsh placed in oratory and Marjorie Merchant in poetry.

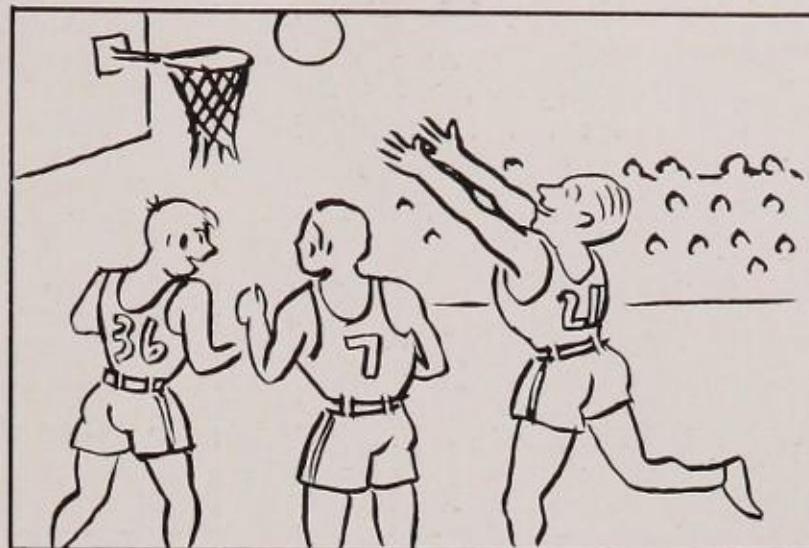

Bob Keller and Dick Richards win in the primary presidential campaign. Richards victorious in the finals! We know that we will have a competent president and vice-president of the school next year.

The OPINION wins the highest rating at Columbia University. We certainly are proud.

Winners in the "Gallager and Shean" contest to win CREST are "Wally" Chessman and "Emmy" Cole.

Another matinee dance! As usual, it was a big success. Our orchestras are almost professional, we think!

P.H.S. averages two points per minute to beat Macomb for third place in the Sectional Basketball Tourney.

April

Dramatic honor societies, the Junior National Honor Society for Freshman and Sophomores, and the Senior National Honor Society, for the Juniors and Seniors, elected new members. We feel it an honor to have students with ranks and qualifications that will enable them to be members.

The "Cat and the Canary", Jusendra play, certainly was a big success. Couldn't you just feel the chills creeping up and down your spine? (Our hair stood on end!)

The CREST campaign was a feather in our cap! Approximately 1,050 CRESTS were sold!

We enjoyed our Easter "vac" especially since it's getting warm and we are inclined to study less and less. Our chorus sang beautifully at the Palace Theatre during the Sunday morning service.

Junior Prom certainly made a big hit, if you ask us! The Inglaterra was crowded with couples dancing to the peppy strains of the orchestra.

May

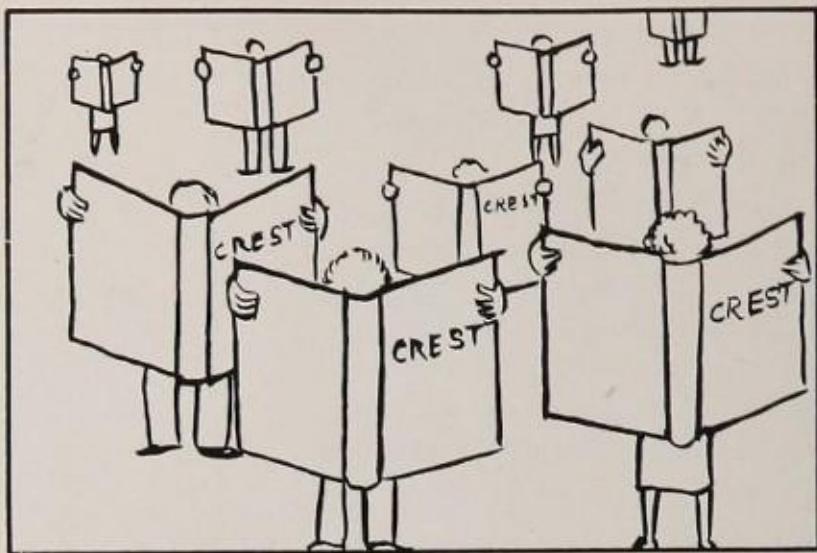

These certainly are crowded days now with term papers, essays, autobiographies, work for the fair exhibit . . . and all of the clubs that we belong to are having picnics, so we are in a whirl!

The music contests at Pekin were a big success; we were all glad that P.H.S. did so well! Our people looked very nice and trim in their blue and white at the Spring Festival at Pekin, too. The festival attracted a great deal of attention, for all the city high schools participated in it.

We're having our last matinee dance of the year . . . doesn't it seem funny that school's almost over.

Evidently our teachers don't realize that we are supposed to be almost through with work—just *look* at our assignments!

At last the day has come; *no*, not graduation—the CRESTS are out!!! And don't they look grand in their black and red covers? *We* think they're the best ever. Hurry and get yours all signed up before school is over!!

June

The days certainly are passing quickly . . . This is probably the last time we'll all be together, so we must make the most of it. Don't our teachers look sad now that we're departing???

In home rooms we are busily planning picnics and spreads and weiner roasts. The CREST staff is having a picnic, as usual, only this year it's better and more fun (ask us). The Honor Societies are all planning parties or picnics. French Club has its banquet, at which we all speak *French??* Our clubs are holding their last meetings, and we are all sad to think that it is almost over. So, get to work, and have lots of fun before your last farewell at graduation time.

Well, now that we've graduated it certainly is grand to look back over all the good and bad times we've had. Wasn't it a thrill to march out on the athletic field and receive that cherished diploma!!!

Now we can eagerly look forward to college or work—So *good luck* to everyone!

Here Are Their Hobbies

We see them walking in the hall,
With books and pen and ink and all.
What do they do when out of sight,
With homework finished for the night?
Do they collect and save such things

EXPERIENCED CONSIDERATE
DEPENDABLE

THE REASON WHY

That MOLLOY MADE covers have been used on so many of the nation's leading annuals over a long period of time is testimony to the fact that they really do represent more value.

The CREST, like many other leading annuals, started using MOLLOY MADE covers "away back when"—and the MOLLOY trademark on the cover of this 1936 issue is the best evidence of an eminently satisfactory standard of quality and service throughout the country.

A Store That Is Alive!

Everyone who knows this store is struck by one thing: IT IS ALIVE!

It is healthy. Its aisles, its floors are throbbing with business, just as arteries throb with the blood of life!

Anyone who makes his own way in the world must be alive. A store may move along by copying and imitating but if it chooses to cut its own path, it must do as the pioneers did, work!

THIS BLOCK & KUHL BUSINESS CUT ITS OWN PATH FIFTY-SEVEN YEARS AGO THROUGH THE ROCK OF TRADITION. IT IS CUTTING ITS PATH TODAY.

It makes its own epochs. It thinks for itself. It trains the best men and women it can get and sends them afield for the best in merchandise.

What it has done in the past is only an indication of what to expect of the future of THE STORE THAT IS ALIVE!
